

PROCESS IMPROVEMENT

OFFICE OF DOCTORAL STUDIES, RESEARCH & DEVELOPMENT

Steps taken to improve the PhD process

1. Submission of thesis before Pre PhD presentation
2. First submission of thesis in hard bound
3. Plagiarism check before Pre PhD presentation
4. Comments of external thesis evaluators are recorded, filed and examined in presence of Supervisors.
5. A software has been created by the name of "Thesis Improvement Guidelines" has been created which will be accessible to the PhD scholars who have been permitted to submit their thesis.
