PRESS RELEASE

Date: 28/02/2017

National Science Day Observed at Integral University

- **Free thinking is the mother of innovations : Dr Kuldeep Kaul**
- **Free Health Check-up Camp on Tuesday at Tikona Park, Lalgah near Noor Manzil.**

Lucknow 28 Feb: Integral University observed National Science Day on February 28, 2017 to mark the discovery of the Raman Effect by Indian physicist Sir Chandrasekhara Venkata Raman on 28 February 1928. This year, Science Day was observed on the theme “**Science and Technology for Specially Abled Persons**”. On the occasion, **Dr. Kuldeep Kumar Lal, Hon’ble Director, ICAR-National Bureau of Fish Genetic Resources** was the Chief Guest. The function was presided over by **Prof. S. W. Akhtar, Vice Chancellor, Integral University**. Other dignitaries of Integral University like **Pro VC, Prof Jamal Arif, Registrar, Prof Irfan Ali Khan, and Dean, Sciences, Prof. Abdul Rahman Khan** were also present during the function.

Program was started with the welcome address by **Prof. Abdul Rahman Khan**. **Prof Jamal Arif** highlighted the importance of National Science Day and threw the light on the achievements of Sir Chandrasekhara Venkata Raman. A motivational documentary was also played on the topic. Whole documentary was very interesting and showcased the innovations done so far for especially abled people.

Dr. Kuldeep thanked the organizer for inviting him on this important day. In his inspirational words he said, administration can have hierarchies but idea does not have hierarchy. In Universities we can generate number of ideas through the young minds. He said, free thinking is the mother of innovations. Now a days, one positive thing about our country is, we have started calling **specially abled** to physically challenged people.

Prof SW Akhtar said, what science has achieved today was unpredictable 50 years before. He emphasized the role of science and technological innovations for the development of the human being and society. His talk was very stimulating, touching upon ethics and importance of technology in the field of research. He also informed that on the occasion of Science Day a Free Health Check-up Camp will be organised on **Tuesday 1st March at Tikona Park, Lalgah near Noor Manzil from 10:00 AM to 2:00 PM**. This free health check-up camp will be offering free medical services like BP Check, Eyesight Check, Diabetes Check etc by the professional doctors of Integral Hospital. Free medicines will also be distributed to the public as per their health requirements.
