Guidelines for Industrial Training (CS-300)

for B.Tech (CSE)

Objective	The objective of Industrial Training is to enable students to gain relevant and related practical experience which will prepare them for their likely responsibilities in future.

Guidelines	1. Students of B.Tech after completion of 6th Semester have to undergo the industrial training for 4 - 6 weeks, in the months of May- July.
	
	2. Industrial Training is a zero credit compulsory course.
	
	3. Student will opt for an organization/in-house training through CCG&D .
	
	4. A recommendation letter for the training has to be obtained from CCG&D.
	
	5. After completion of the industrial training student has to submit the training completion certificate along with the training report to the co-ordinator /teacher of CS--300.
	
	6. The evaluation of the training report will be done under the following heads:
	
	    a. Report Assessment 30% of the maximum marks
	
	    b. Report Presentation 30% of the maximum marks
	
	    c. Viva-Voce 40% of the maximum marks
	
	7. Minimum passing marks will be 50%.
