

Interactive Session with Padma Shri Prof. Deepak Phatak
Topic: 'Use of ICT in Teaching-Learning Process'
Organized on 3rd October, 2017

Faculty of Pharmacy, under the aegis of, Human Resource Development Center, Integral University, Lucknow, organized an Interactive Session with Padma Shri Prof. Deepak B. Phatak, from IIT, Bombay on the topic 'Use of ICT in Teaching-Learning Process'.

Session was graced by the benign presence of Dr. Syed Nadeem Akhtar, Dean, Engineering and Director Planning and Research, Integral University and other dignitaries of the university.

Session started with a welcome address by Dr. Syed Aqeel Ahmad, Director, HRDC, Integral University who warmly welcomed the dignitaries as well as the audience and highlighted the importance of new teaching methods in the changing educational scenario.

Prof. Phatak was accorded a floral welcome by bouquet presentation followed by his interactive session.

Prof. Phatak gave valuable insights on the significance of teachers in the current state of transformation from traditional pedagogical methods to modern ICT based pedagogy techniques.

He also discussed how a teacher individually, and organization, as a whole, can adapt to changing demands of industry to sustain its viability and play an important role in developing younger generation for better aligned learning suiting industry needs.

Session concluded with vote of thanks by Dr. Tariq Mahmood, Head-Faculty of Pharmacy, Integral University.

The programme witnessed a wide range of participants including Deans of various faculties, Directors, Head of Departments and faculty members.
