

Office of Research and Development
Integral University, Lucknow

Seats available for PhD Courses for the session 2017-2018

S.No.	Department	Specialization	Number of Seats available
1.	Physiology	Physiology	02
2.	Mechanical Engineering	Advanced Manufacturing, Non Conventional Machining, Production Engineering, Wear & Tribology, Design Engineering	07
3.	Computer Science & Engineering	Cloud Computing, Software Engineering, Usability Testing, Computer Networks & Security, Applications of Neural Networks	05
4.	Computer Application	Web Mining, Software Engineering, Requirement Engineering, Web Technologies, Big Data Analytics, Software Security, Image Processing	08
5.	Education	Teaching Education, Educational Technology, Educational Psychology	02
6.	Environmental Science	Biodiversity, Climate Change, Environmental Pollution, Ecology, Waste Management, Bioremediation, Air Pollution	14
7.	Mathematics	Variational Inequalities and Boundary Value Problems, Differential Geometry, Operations Research, Fluid Dynamics, Special Functions, Numerical Analysis, Derivations in ring theory, Approximation Theory	16
8.	Pharmacy	Pharmaceutical Chemistry, Pharmacology, Pharmaceutics, Pharmacognosy, Phytochemistry, Pharmacy Practice	64

9.	Biochemistry	Medical Biochemistry	01
10.	Electrical Engineering	Digital Image Processing, Renewable Energy	05
11.	Civil Engineering	Transportation	06
12.	Physics	Biophysics, Liquid Crystals Alkali Titanates	09
13.	Electronics & Communication Engineering	SPV System Design, VLSI Fabrication	03
14.	Business Management	Human Resource, Marketing, International Trade	14
15.	Chemistry	Medicinal, Analytical, Environmental, Synthetic & Industrial Chemistry	17
16.	English	English Literature & Literary Theories	04
17.	Bioscience	Plant Biochemistry, Molecular biology, Immunology, Biochemistry & Natural products, Nanotechnology, Glycation biology, Cancer biology, Phytotherapy, Microbiology, Cancer chemoprevention	09
18.	Bioengineering	Plant & Algal Biotechnology, Bioactivity of medicinal plants, Cancer Biology, Molecular Biology, Nanotechnology, Agriculture Biotechnology	09
Total vacancies			195

For admission process in PhD program, please refer to the PhD Ordinance & Schedule on the university website (<http://iul.ac.in/PhdStdZone.aspx>)

Date: 30.03.2017

 30.03.17
 Prof. Jamal Mohammad Arif
 Pro Vice Chancellor
