## Introduction

Pattern of examination and its efficacy determines the diagnostic and terminal behaviour of the students. In fact, it should be a tool for assessing the improvement of level of achievement of students in terms of knowledge and skill. Its effectiveness therefore, depends upon the dissemination of knowledge by teachers and its assimilation by the students. Of late, the trans-national character of education in the wake of globalization expects it to be the instrument of bringing social, cultural and economic transformation of a society. Owing to the fact that a radical transformation has taken place in Higher Education and examination has now been placed as an integral part of curricula, emphasis is being attached on reforming the examination system. Hence the need to make it fit to stand the test of time becomes pertinent. Educationists, policymakers, teachers need to put their endeavour towards revamping the examination system and prepare a model ensuring validity, reliability and objectivity in the examination system and help making all round development of a student possible. The deficiencies in the system need revamping with the objective to raise not only the knowledge and skills of the students but also the quality of education imparted in the institutions of higher learning.

The present Workshop is an endeavour to bring Registrars/Deputy Registrars/Controllers of Examinations, Deputy/Assistant Controllers of Examinations, Senior University Officers and Academics to a common platform to review the current scenario with reference to examination patterns and their deficiencies both in academic and administrative issues. The deliberations at the workshop will focus on the issues related to present examination system, and suggestions for its improvement to make it adaptable to the present global scenario.

## Themes of the Workshop

- Model Evaluation System: Different Approaches (Case studies of the Credit Based Evaluation pattern followed in different universities)
- Choice Based Evaluation System and Credit Transfers
- Feasibility of on Demand Examination System
- Internal Evaluation Vs External Mode of Evaluation
- Continuous and Comprehensive Evaluation (CCE) in Higher Education

## Methodology

Lectures and presentations to be followed by interaction among the participants

## Participation

Registrars/Controllers of Examinations/ Deputy Registrars/ Deputy Controllers of Examinations, Senior University Officers, and Academicians entrusted with examination related responsibilities are invited

## Organizers

### **Association of Indian Universities**

Association of Indian Universities (AIU) established in 1925 as the Inter University Board, is an apex body for university-level institutions in India. It is a representative body of Universities of India to liaise with the universities and the government (central as well as state) and to coordinate among the universities and other apex higher education organizations of the world. The Research Division of AIU undertakes studies on problems in emerging areas of concern in the field of Higher Education. A regular activity of the Research Division is to organise workshops/ training programmes, seminars and other capacity building programmes for university administrators and academicians.

### **Integral University, Lucknow**

Integral University, a seat of educational excellence, is a premier university in **Lucknow**, the capital city of the state of Uttar Pradesh, India. It was established under the Act Number 9 of 2004 by the State Government.

The University is duly approved by the University Grants Commission (UGC) under sections 2(f) and 12B of the UGC Act, 1956, Integral University is recognized as a Scientific & Industrial Research Organization (SIRO) by the Department of Scientific & Industrial Research, Ministry of Science & Technology, Government of India and accredited by NAAC. The University offers 110 programs across 38 disciplines, and currently hosts around 9000 students at its 120-acre campus.

The University's campus is well equipped with all modern amenities for pursuit of higher education and sports.

Integral University is not only an academic institution but also a mission to make the country progressive and prosperous in all walks of life.
