## PRESS RELEASE

Date: 12/03/2016

## International Conference on Advancement of Computer Engineering and Information Technology

**Lucknow 12 March:** Department of Computer Science & Engineering (CSE) of Integral University organized one day International Conference on “**Advancement of Computer Engineering and Information Technology**” (ACEIT-16) on Saturday 12<sup>th</sup> March, 2016. On the occasion, **Dr. Saurabh Gupta, SIO, NIC, Uttar Pradesh** was the Chief Guest and **Prof. Kishan Mehrotra, Prof. & Chair, Deptt. of Electrical & Computer Sc. Syracuse University, NY, USA,** was the Guest of Honor. International Conference was presided over by **Prof SW Akhtar, Vice Chancellor, Integral University.**

During the conference, **Dr. Saurabh Gupta** highlighted the various initiatives taken to mobilize digital India campaign, he also discussed about connectivity of gram panchayat via fiber channel. In his address **Prof. Kishan Mehrotra,** spoke on key players identification in social networks and its applications. With very effective examples on some of social networks, he discussed their applications and technology used by them.

**Mr. Aamir Qutub, CEO, Enterprise Monkey Australia,** while delivering Technical Talk told about the smarter technology. He deeply discussed big data automation and easy access of technology. He mark the difference between dumb technology and smarter technology. **Krishna Kant, Head A.A. EMC2 South East Asia A&Z.** said, “I am fortunate to be part of EMC and Integral University Collaboration since 2007. In the last nine years we have skilled thousands of youngsters and have helped them make informed career choices.”

In his presidential address, **Prof SW Akhtar** said, “During the last couple of decades, Indian Scientists and Engineers contributed enormously towards computer science and information technology both in India and Abroad”. He further said, “I extended a hearty welcome to all participants and experts invited for the conference and I am sure all students and faculty will be benefited through this conference.

Head Department of CSE and Convener of ACEIT-16, **Kavita Agrawal** said, “It is an initiative to provide a platform for technical deliberations and exchange of novel ideas among stalwarts as well as amateurs in research. The conference was academically rewarding and provided an opportunity to develop social network, research relations and future collaborations.
