PRESS RELEASE

Date: 10-02-2016

Ministry of Human Resource Development's Short Term Course on Data Analysis: SPSS & Minitab Concluded.

Lucknow 10 Feb: One week Short Term Course (STC) from 2nd to 8th February 2016 on **Data Analysis: SPSS & Minitab** was organized at Academic Staff College, Integral University Lucknow, under the aegis of Ministry of Human Resource Development's Centre for Academic Leadership and Education Management (CALEM) at UGC Human Resource Development Centre, AMU, Aligarh.

Around 60 participants attended the STC from various departments of Integral University, Lucknow and other Minority Managed degree colleges of Lucknow specially Amirudaulah Islamia Degree College, Shia P.G. College, Karamat Hussain Girls P.G. College and Azad Institute of Engg. & Tech.

This short term course is an initiative of Govt. of India to uplift teachers of Minority Managed Degree Colleges/Institutes/Universities. Eminent personalities in the field of statistics delivered special lectures on various softwares along with its hands-on training. Seven day programme ended on 8th February with a grand valedictory session. On the occasion, **Mr. Pradeep Kumar Assistant Registrar General, Directorate of Census Operations, UP** was the Chief Guest and **Dr Faiza Abbasi, Assistant Director UGC-Human Resources Development Centre (HRDC) AMU Aligarh** was the Guest of Honor. Pro Vice Chancellor, Prof. T. Usmani and Dr. Syed Aqeel Ahmad, Director Academic Staff College, Integral University were also present during the valedictory session.

Mr. Pradeep Kumar contemplated that data is available in plenty and through different resources. The success largely depends on how the raw data is analyzed to draw some useful and meaningful inferences and informed decisions. SPSS a highly interactive, easy to use, windows based statistical tool that is perfectly suitable for accurate data analysis.

Dr Faiza Abbasi, Assistant Director UGC-Human Resources Development Centre (HRDC) AMU Aligarh stated that it's a wonderful platform for the Researchers and Business Analyst to learn the Data Analysis methodologies and its application in SPSS package, to apply it in the contemporary scenarios that are encountered in day-to-day life. Certificates to participants were also distributed in the valedictory session.
