Dear Students,
Welcome to the New Academic Session 2023-24!!

It is with great pleasure and excitement we extend our warm greetings to all the II year and onward students who will be joining the campus on August 14, 2023. We are delighted to continue this journey with you, building on the knowledge and experiences gained in the previous years. Your dedication and enthusiasm have been instrumental in making our institution an inspiring place to learn and thrive.

To continue that, Odd Semester, 2023-24 registration for the II year and onward students will begin from August 14, 2023. Physical presence and clearance of dues are mandatory for semester registration. After August 14, 2023, a fine of Rs 500/- per day shall be imposed and charged separately for the number of days the fee deposition and semester registration are delayed. Pre-Registration is a prerequisite for the Semester Registration which should be completed before Semester Registration.

Commencement of classes will occur from August 14, 2023. Stipulated attendance (75%) is mandatory to appear in the Continuous Assessments (CA) and Semester-End Examinations. You will be marked absent as long as your semester registration is not completed.

Therefore, deposit your pending fee, if any, and complete the semester registration on August 14, 2023 and start attending the class immediately. Attendance will be reckoned from the date of start of classes.

You are advised again to avoid the accumulation of the fine and shortage of attendance in class.

With all good wishes!!
