ARCHITECTURE

**INTEGRAL
UNIVERSITY**
PHASE-II
LUCKNOW - INDIA

**FACULTY OF ARCHITECTURE,
PLANNING AND DESIGN**

ABOUT THE DEPARTMENT

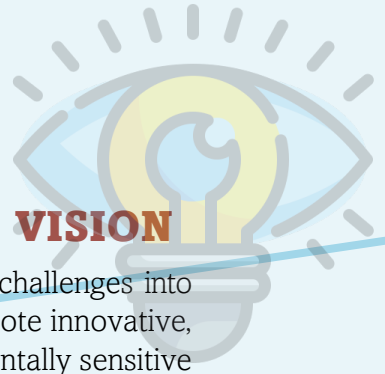

At **Integral University**, we take immense pride in providing a holistic and innovative approach to education, the result of which was evident in the University being **awarded NAAC A+ Grade** in 2023. **Faculty of Architecture, Planning, and Design (FoAPD)** was established in **1999** at Integral University, Lucknow with the introduction of the Bachelor of Architecture UG Program. UG Programs for Product & Interior Design and Fashion Design were added to the cohort in the year 2020.

Currently, the Faculty offers undergraduate degrees in B.Arch., B. Des. (Product & Interior Design), and B. Des. (Fashion Design), while the postgraduate degree programs include M. Arch. and M. Plan. In addition, since 2019, FoAPD also started offering Ph.D.

With a focus on interdisciplinary learning, we encourage students to explore various aspects of architecture, planning, and design, promoting a comprehensive understanding of the built environment and its impact on society. “Being the oldest cynosure imparting architectural education in any private university of the state; we realize our responsibility to deliver the best,” states Prof. S.W. Akhtar, Chancellor and Founder, of Integral University, Lucknow. Owing to the institution’s excellent teaching standards and its resonating outcomes, FoAPD ranked 2nd across Uttar Pradesh & 28th across the entire nation in 2023 by IIRF (amongst Private Universities).

MESSAGE FROM DEAN

Prof. (Ar.) Zeba Nisar
Dean FoAPD

Welcome to the Faculty of Architecture, Planning, and Design!

At **FoAPD**, we are more than just an institution—

we are a vibrant academic and cultural hub, shaping the future of architects, designers, and scholars.

With a strong commitment to redefining **architectural and design education**, we embrace innovative and experimental teaching methods to prepare our students for the dynamic world of design.

Established in **1999**, we have grown from a **Faculty of Architecture** to offering a wide range of programs, including, Bachelor of Architecture (B.Arch), Bachelor of Design (Fashion Design) & (Product, Interior & Fashion Design), Master of Architecture (M.Arch), Master of Planning (M.Plan) & Ph.D. in Architecture & Planning.

At FoAPD, we place a strong emphasis on creativity and hands-on learning. Our students build impressive portfolios, showcasing their **design thinking, problem-solving abilities, sketching skills, and visualization techniques.**

If you're passionate about the built environment or fashion, we encourage you to explore our brochure, website, and social media pages. Feel free to connect with our faculty and students to learn more about our selective and personalized programs at Integral University.

We look forward to **welcoming you into our creative community!**

MESSAGE FROM HEAD

The Faculty of Architecture, Planning, and Design (FOAPD) is one of India's leading institutions for education in Architecture, Urban Planning, and Design. Our commitment to excellence is reflected in national rankings conducted by renowned organizations such as **Outlook, MDRA, GHRDC, and IIRF**, consistently placing our department among the top architectural colleges.

As the oldest private state university offering architectural education, we take pride in upholding the highest standards.

Prof.(Dr.) Safiullah khan
HOD, FoAPD

Our faculty comprises educators from across the globe, ensuring a curriculum aligned with international teaching methodologies. Students **engage in national and international seminars, workshops, and exhibitions** through collaborations with universities and research organizations, gaining exposure to diverse perspectives and innovative ideas.

At FOAPD, we emphasize **personalized guidance through a dedicated Mentor-Mentee system**. Our curriculum fosters exploration, interdisciplinary learning, visual and communication skills, and critical thinking—preparing students to excel in the ever-evolving field of architecture and design.
