CREATIVE/POSTER OF THE EVENT

**Report of the One Day National Workshop on ‘Basic of Applied Econometrics’
organized by Department of Commerce, Faculty of Commerce & Management,
Integral University on August 05,2024**

Department of Commerce, Faculty of Commerce & Management organized a one-day national workshop on ‘**Basic of Applied Econometrics**’ on August 05,2024 in virtual mode which was conducted by **Dr Mohd Nayyer Rahman, Assistant Professor, Department of Commerce, Aligarh Muslim University, Aligarh** During the session he delineated the basic fundamentals of econometric techniques by providing hands on training to the participants. He elaborated upon the varied parameters of econometric tools and their usage in different situational aspects. Further, he highlighted the utility of econometric tools in research publications and how accurate & precise results can be drawn through them.

Earlier, Inaugurating the workshop **Prof Adeel Maqbool, Vice-Dean, FCM** introduced the resource person and said that this workshop is extensively designed to meet the requirements of young budding researchers who are in the nascent stage of their research work and said that Faculty of Commerce and Management is committed to nurturing and providing exceptional guidance and insights to conduct research and is dedicated to develop the PhD scholars into leading researchers in the field of social sciences. He urged the research scholars of the faculty to fully harness the state of art research facilities available in the university for their overall scholarly growth and assured that nothing less than the best shall be done by the department to upgrade it. He further appreciated the organizers for successfully concluding the lecture series and urged them to come up with more such sessions for the benefit of the research scholars of the university.

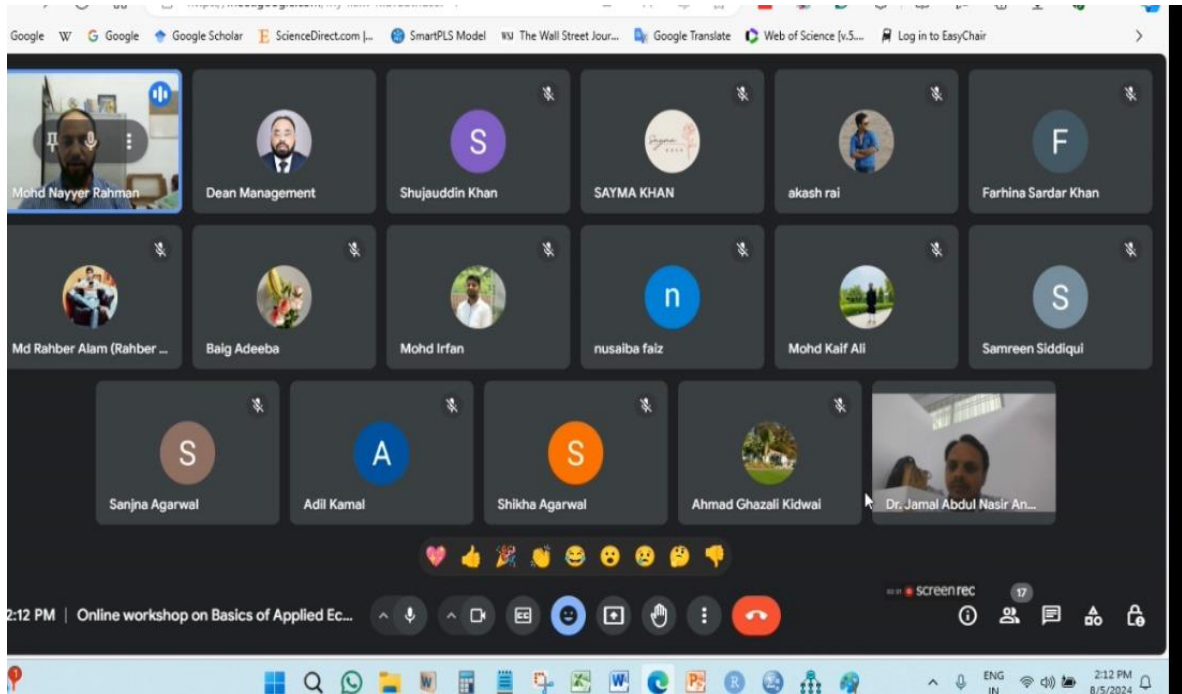

Dr Farhina Sardar Khan, DQAC Coordinator in the department informed that department is roping in various learned eminent resource persons from prestigious higher educational institutes with an expertise in relevant research areas to conduct theses workshops and guest lectures for the benefit of the research scholars.

Dr Jamal Abdul Nasir, Faculty Coordinator moderated the session and briefed that the department has commenced an extensive workshop series on "Research in Social Sciences", spanning six months from April to September, 2024. This series will meticulously cover each research stage, and this national workshop on basics of econometric techniques is fourth in row where in over twenty-three participants from different parts of the country have participated.

Dr Mansoor Ilahi, another faculty coordinator expressed his gratitude to the resource person & participants for sparing their valuable time for attending the workshop which we will go a long way in augmenting their research orientations and showed confidence that participants will get major key takeaways from this workshop.
