

A Brief Report on
“Extension Activity”
Organized by
Department of Commerce and Business Management
On
“WOMEN’S HEALTH AWARENESS DRIVE”
7th March 2022

Faculty of Commerce and Management organized an Extension activity in association with **Ahsaan Foundation, Lucknow** on the occasion of International Women’s Day on 7th March 2022 under the guidance of **Prof A.K Saxena**, Dean FCM, and **Dr. Syed Shahid Mazhar**, Head, DCBM to spread awareness about the health issues among women in rural areas. The activity was coordinated by **Dr. Farhina S. Khan** and **Ms. Nazia Akhlaq**. A total of 250 students of B.Com and BBA actively participated in the activity. The following faculty members accompanied the students for the activity.

Mr. Ariz Siddique

Mr. Ehsanul Haque

Ms. Sayed Nuseba

Ms. Priyanka Bajpai

Mr. Swapnil Vaish

Ms. Rishika Awasthi

Two members from the Ahsaan foundation Mr. Laeeq Ansari and Ms. Laxmi Gautam also accompanied the extension activity group. The goal of the activity was to spread awareness among rural women regarding health-related issues, make them aware of the consequences of ignorance of health issues and also educate them about the various health services available for women, and how they can access them freely or at a very low cost. The students actively participated in explaining to the women in villages nearby Integral University about the health issues commonly neglected which may result in serious diseases and illnesses. They also explained to the women in villages about maintaining hygiene to be protected from various severe diseases. The students were very excited and curious to be part of this activity, where they will get a chance to spread awareness among rural women. The students advised several women to get a health check-up immediately.

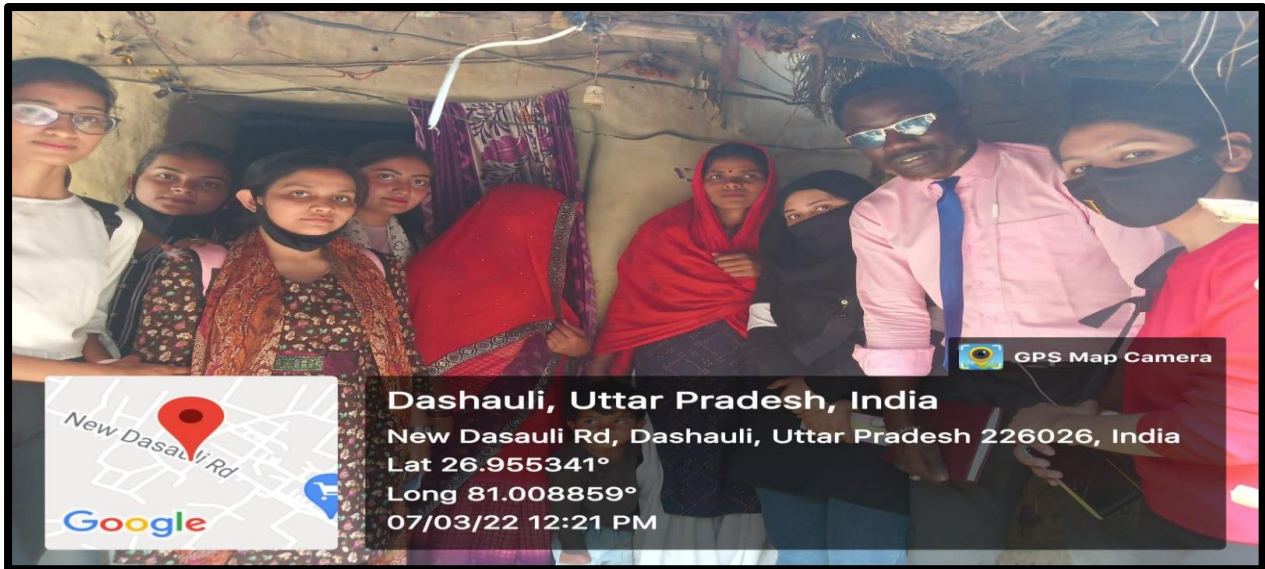

The women in the villages expressed their gratitude and thankfulness towards the entire team for sharing such valuable knowledge with them. They also gave their consent that they will visit Integral hospital for regular health checkups and also participate in various health awareness drives organized by the **Department of Commerce and Business Management** frequently for spreading awareness among the rural poor and ignorant section of the society.
