

Report on “Winter School 2023” by CCG&D From January 19, 2023 to February 7, 2023.

Centre for Career Guidance and Development Integral University, Lucknow **organised Winter School program for Personality Development with English and Aptitude & Reasoning.** The English course was for all the students of the university while the Aptitude and Reasoning was for B. Tech / BCA / MCA / Management / Diploma Engineering.

The winter school was organised at Integral University for the first time. The courses were designed keeping in mind students’ overall professional and personal growth and development. The aptitude and reasoning classes were conducted by Mr. Shaz Alam and Mr. Ayaz Mahmood. Ms Huma Iqbal conducted classes for Personality Development with English.

The learning outcomes of the respective schools were as follows:

Aptitude and Reasoning –

- Awareness of syllabus/pattern/approaches for different exams.
- Learnt key topics and different optimal strategies.
- Realised and understood strengths and weakness to decide career paths.
- Recognised preparation road map for different career progressions like higher education, government and private jobs.

Personality Development with English –

- Fundamentals of English language
- Improved communication skills.
- Capable to give oral presentations.
- Learned clear and accurate pronunciations.
- Learned how to handle difficult job interview questions.

The winter school project concluded with certificate distribution ceremony on February 23, 2023 in BNLT Seminar Hall 1. Dr Nilanjan Mukherji, Director CCG&D, congratulated the students on successfully completing the programs and laid stress on the importance and value of these courses. More than 50 students attended the event.
