Seminar Report On “Aptitude Class Test Guidance for Government Sectors”

Organized by Physics Wallah

A seminar on “**Aptitude Class Test Guidance for Government Sectors**” was organized by **Physics Wallah** on **Wednesday, 25th June 2025** to provide insights into preparation strategies for various competitive examinations such as **SSC, CGL, Railways, and Banking**. The session was addressed by **Mr. Ravindra Tripathi (Branch Head)** and **Mr. Abhishek (Maths Expert)**. It was aimed at making students aware of the exam patterns, syllabus, and the importance of early preparation.

The seminar began with an introduction by **Mr. Shaz Alam** from **CCG&D**, who welcomed the experts from Physics Wallah and highlighted the significance of aptitude in government sector examinations.

Key Highlights:

- **Mr. Ravindra Tripathi** emphasized the importance of aptitude in government exams and explained the exam pattern of SSC. He elaborated on the weightage of Quantitative Aptitude, Reasoning, and General Awareness and discussed the eligibility criteria for these exams.
- He also guided students about Railway and Banking exams, describing banking as “**charming segment**,” and motivated them to start preparing before completing graduation.
- Students were informed about the free content and test series available on the Physics Wallah app.
- To engage students, he conducted a small quiz, asked general questions, and distributed prizes.
- **Mr. Shubham** then explained the difference between Aptitude and Mathematics. He covered important topics such as: **Time and Work, Efficiency and Pipes and Cisterns**.
- Demonstrated shortcut tricks for quick problem-solving.
- Shared a square calculation trick.
- Solved practice questions to enhance students’ confidence.

The session concluded with closing remarks by Mr. Ravindra Tripathi, who encouraged students to visit the Physics Wallah branch at Kapoorthala and make use of the free sample test series provided.

Outcome:

The seminar proved highly beneficial for students as it:

- Clarified exam patterns and eligibility for government sector exams.
- Provided useful tricks and strategies for solving aptitude problems.
- Motivated students to start preparation early.
- Offered free resources through the Physics Wallah app and branch support.
