

Report on **Educational prospects in Universities Worldwide**
Friday, February 10, 2023

Center for Career Guidance and Development Integral University (CCG&D) in collaboration with **Integral Institute of Allied Health Sciences & Research** organized a session on scope of studying in Universities in **Australia, New Zealand, Canada, UK, US and Dubai** for final year students of Physiotherapy, Paramedical and Nursing. The session was conducted by **Ms. Trisha Mishra, Counselor and Overseas Consultant, Global Reach**, Lucknow, who briefed the students about Global Reach, which is a pioneer of overseas education consulting in India with 32 years of experience; moreover, she stated that it has the highest number of certified counselors and represents more than 500 universities across 19 countries. She also discussed the services such as comprehensive counselling, application processing, advice on selection of program, scholarship application assistance, student visa guidance, pre - departure support and other value-added services provided by Global Reach.

Prof. V.K Garg, Professor of Civil Engineering, Babasaheb Bhimrao Ambedkar University, Lucknow with more than 40 years of teaching experience in various government colleges, communicated the advantages and cost of studying in the top countries of the world. He highlighted the perks and rewards of studying, living and working in specific countries as well. More than 130 students were present for the seminar.

Glimpses of the session:

Dr. Sufia Rahman, CCG&D and Dr. Ammar Faisal Khan, Physiotherapy Department, jointly coordinated the event. Post the presentation, the counselor from Global Reach addressed several queries from the students. To conclude, the seminar gave the students an insight on the most popular foreign destinations not only for studying but also for making a career in these high potential countries.
