

Report on **Study Abroad Expo**

Friday, February 24, 2023

The Centre for Career Guidance and Development, Integral University in association with **upGrad**, our Foreign Education Partner, organized an expo for University students to study abroad. The expo was an effective platform linking prestigious foreign universities/institutions with focused overseas higher education aspirants. **Berlin International University of Applied Sciences, Golden Gate University California, Yeshiva University New York, University of Europe Berlin, Clarks University Massachusetts, University of Canada West British Columbia** were the six premier Universities which participated in the expo. More than 180 students from Engineering, Management, Pharmacy, Applied Sciences, Medical /Paramedical, Polytechnic and other courses participated and enquired in the event.

Students were informed about the preparation of various exams like **IELTS, TOEFL, PTE, GRE, GMAT** which will be required to apply in overseas institutions. Students were also counseled for numerous courses from countries like **Canada, Germany, The United Kingdom, Ireland, Australia and The United States of America**. Details about scholarships, tuition fee, living cost, visa support and application support were given to students. Dr. Nilanjan Mukherji, Director CCG&D presented mementos to the counsellors of the participating foreign universities.
