

Report on Career Opportunities in Insurance Sector **Thursday, November 10, 2022**

Centre for Career Guidance and Development Integral University, Lucknow **organised a session on Career Opportunities in Insurance Sector** for management students. A team from **Life Insurance Corporation (LIC), India's 5th largest company** and under the **Ministry of Finance**, enlightened students on the concept, importance and career prospects of insurance sector. **Mr. Harish Gautam, Branch Manager LIC, Lucknow**, imparted knowledge on the worth and assets of the company and criteria for becoming an insurance advisor in LIC. Students of BBA, B. Com, MBA – Pre-Final and Final Year were invited to attend the seminar.

Development Officer LIC, Mr. Raghavendra Kumar Verma, further elaborated on the career opportunities and growth in life insurance sector particularly as an LIC consultant. He shed light on how students can benefit by associating with LIC in various roles. More than 80 students were present for the seminar.

Glimpses of the session:

Top Left: Mr. Harish Gautam, LIC Branch Manager, making a presentation.
Top Right: Students participating in the session.

The event was coordinated by Dr. Sufia Rehman, CCG&D. Overall, the students learned a great deal about the expanding insurance sector which can provide them with job opportunities and assist in career growth. Students' queries were also addressed at the end of the session by the LIC team.
