

Integral University Student Mobile App

App Personas:

Integral University Mobile App is designed on Android Platform to keep updated students and their Parents. University Mobile App can be downloaded from Google Play Store.

To login it with enrollment number but first they have to register from valid mobile no.

The IU Mobile App. also fulfils Integral's agenda of the saving on paper, as it sends reminders and alerts straight to the phone or device.

Almost all Students and Parents are using to keep update. Faculty and Coordinators are using to help the student.

Modules: Integral University pioneers in delivering a unified solution to student's requisites. Integral University launched their campus app in October, 2017 which instantly became a hit amongst students. The app features personas for both **Student & Parent** Modules.
