

INTEGRAL UNIVERSITY, LUCKNOW

(Office of Deptt. of Civil Engineering)

Ref. No. IUL/CE/Head/2023/032

Dated: 11th July 2023

NOTICE

M.Tech Structural Engineering, CTM and H&WRE

(Regarding Directed Study)

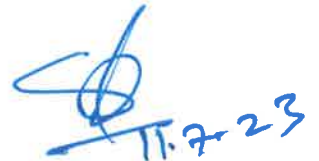

As per the evaluation scheme, M.Tech students are required to go through Directed Study during summer vacation. They are advised to undergo the following works:

1. Complete the Literature survey (Minimum 25 research papers) on the allotted topic and prepare a report.
2. Training of any relevant software (of atleast 20 contact hours) in consultation with their course coordinator/supervisor and submit the training completion certificate.
3. Update weekly progress to their coordinator/supervisor.

For any queries, contact the course coordinators or your supervisor.

Important Dates:

- The last date to complete the training is 16th August 2023.
- Submission of report on literature review and training is 26th August 2023.

Dr. Syed Aqeel Ahmad
