

INTEGRAL UNIVERSITY, LUCKNOW

(Office of the Dept. of Civil Engineering)

Ref. No. IUL/CE/Head/2025/049

Dated: 15th September 2025

NOTICE

GATE 2026 Application Process

All third-year and final-year students are hereby informed that the **GATE 2026 application forms are now available online.**

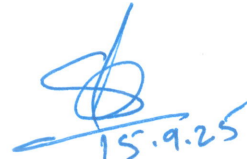

The **Graduate Aptitude Test in Engineering (GATE)** is a national-level examination conducted jointly by the Indian Institute of Science (IISc) and the 23 Indian Institutes of Technology (IITs). A valid GATE score enables candidates to seek admission—with possible financial assistance—to Master's and direct Doctoral programs in Engineering/Technology/Architecture, and Doctoral programs in related fields of Science and Humanities in institutions supported by the Ministry of Education (MoE) and other Government agencies. GATE scores are also accepted by some institutions for postgraduate admissions without MoE scholarships and are widely used by Public Sector Undertakings (PSUs) for recruitment.

- **Closing date for regular online registration (without late fee): Sunday, 28 September 2025**
- **Closing date for extended online registration (with late fee): Thursday, 9 October 2025**

Interested students are advised to complete the registration process well before the deadline to avoid any last-minute inconvenience.
