

INTEGRAL UNIVERSITY, LUCKNOW

(Office of the Dept. of Civil Engineering)

Ref. No. IUL/CE/Head/2026/006

Dated: 19th January 2026

NOTICE

(Two-Day Skill Development Program)

In compliance with the Sustainable Development Goal - SDG 4: to ensure inclusive and equitable quality education and promote life-long learning opportunities, the Departmental Quality Assurance Cell (DQAC), Department of Civil Engineering is organizing **Two-Day Skill Development Program (SDP)** on **21st – 22nd January 2026** for students, faculty members, and staff.

This program is being organized under the Memorandum of Understanding (MoU) between the **Department of Civil Engineering, Integral University, Lucknow** and **CSIR–Central Building Research Institute (CBRI), Roorkee**. A distinguished delegation of scientists and technical experts from CSIR–CBRI, Roorkee will be visiting the university to conduct technical sessions, interactions, and hands-on knowledge-sharing activities during the program.

The Skill Development Program aims to enhance **practical and industry-relevant skills** in emerging areas of civil engineering while promoting **capacity building** among students, faculty members, and staff. It also seeks to **strengthen academic–research collaboration** between academia and a premier national research institute and to **foster an innovation-driven learning ecosystem** through expert interactions, technical deliberations, and experiential learning opportunities.

This initiative underscores the Department of Civil Engineering, Integral University, Lucknow, and CSIR–CBRI, Roorkee’s continued commitment to capacity building, academic engagement, research excellence, and skill-oriented education in alignment with national development goals.

All students, faculty members, and staff of the Civil Engineering Department are encouraged to actively participate and take full advantage of this valuable learning opportunity.
