Islamic Development Bank Undergraduate Scholarship Programme for Muslim Community in India for 2018-19

The Islamic Development Bank (IsDB), a Multilateral Development Organization, is pleased to announce the availability of scholarships for Muslim Community in India to pursue undergraduate studies, in India. The fields of study should be in development-related disciplines in line with the IsDB President's new strategy to empower communities with a special focus on **Sustainability Science** to achieve the Sustainable Development Goals (SDGs). The scholarship is a grant to eligible students. After graduation and employment, students must undertake to cover:

- Either the fees of the first year's study for a new undergraduate student,
- Or the fees of the first year of his/her Master's degree. In this case, the IsDB will support him/her by covering the fees to complete his/her Master's degree.

Applicants must meet the following eligibility criteria:

- Have completed 10+2 course with good grades in major subjects and language of instruction.
- Have secured admission in the current academic year in a recognized University.
- Are not currently in receipt of any other scholarship.
- Are committed to serve their community after graduation.
- Accept the scholarship program conditions and sign the IsDB Bond.

Selected applicants will pursue their undergraduate studies in any of the major fields of study like Medicine, Science, Nutrition, Health Services Management, Veterinary, Bio-Technology, Engineering, Surveying, Urban Planning, Law, Education, Economics, Statistics, Media, Journalism, Natural Resources, Marine Science, Education etc. For more details please visit the website www.metdelhi.org
