<u>Prof Adeel Maqbool</u> <u>Vice-Dean</u> <u>Faculty of Commerce</u>

## <u>Report of the Guest Lecture on "Research Activities to build Academic</u> <u>Performance Indicator (API)" organizedbyDepartmentofCommerce,Facultyof</u> <u>Commerce, Integral University on May 29,2025</u>

Department of Commerce, Faculty of Commerce, had organized a guest lecture **"Research Activities to build Academic Performance Indicator (API)**" onMay 29, 2025in physical mode which was conducted by **Prof (Dr.) Md. Kamalun Nabi Senior faculty Department of Social Sciences Jamia Milia Islamia, New Delhi**. The session aimed to enhance the understanding of faculty and research scholars regarding the significance of research contributions in academic evaluations. The session provided valuable insights into how various research activities—such as publications, paper presentations, and funded projects—can be effectively aligned

with API metrics, as per academic regulatory bodies. The expert speaker elaborated on strategies to improve research output, maintain academic rigor, and meet institutional benchmarks. The interactive session was well-received, fostering greater awareness of the role of structured research planning in academic career progression.

Earlier, Inaugurating the lecture, **Prof Adeel Maqbool, Vice-Dean, Faculty of Commerce** said that the Faculty of Commerce had a strong commitment to nurturing and guiding research scholars by providing exceptional support and valuable insights to advance their research endeavours.Emphasising the department's dedication to developing PhD scholars into leading researchers in the field of social sciences, he encouraged them to make full use of state-of-the-art research facilities available at the university.He assured that the department was determined to offer nothing less than the best to enhance both individual scholarly growth and the overall academic standards of the department.

**Dr. Farhina Sardar Khan, DQAC Coordinator,** informed that the department is committed to supporting research scholars and helping them grow into successful researchers in the field of social sciences.He encouraged scholars to take full advantage of the advanced research facilities available at the university to strengthen their work.He also assured that the department would continue to do its best to improve and provide all the necessary resources for the overall development of its researchers.
