

**Report of Week-long National Workshop on Research 5.0 organized by Department of
Commerce, Integral University**

Lucknow, July 30 — The Department of Commerce, in association with the Human Resource Development Centre (HRDC), Integral University, concluded a comprehensive one-week national workshop titled “Re-Search 5.0: Advanced Research Methodology for a Smarter Academic Future” held from July 24 to 30, 2025.

The workshop commenced with an inaugural ceremony on July 24, anchored by Dr. Farhina S. Khan. The programme began at 10:00 AM with the welcome and bouquet felicitation of dignitaries. Prof. Adeel Maqbool, Vice Dean of the Faculty of Commerce, delivered the welcome address, followed by insights from Prof. Ehtesham Ahmad and Prof. Syed Aqeel Ahmad, Director, HRDC. Keynote remarks were delivered by Prof. Rajeev Pandey, Department of Statistics, University of Lucknow. Chief Guest Prof. Furqan Qamar underscored the relevance of aligning research with societal needs. The session concluded with a vote of thanks and a group photograph, followed by tea.

Over the next six days, scholars and faculty from across India engaged in research-focused sessions combining theory and hands-on training.

Day 1 (July 24): Prof. Rajeev Pandey opened the academic sessions with an overview of research types, problem identification, and research life cycles. In the afternoon, Dr. Zaibun Nisa introduced AI tools such as PRISMA, Research Rabbit, and Connected Papers for literature reviews, and trained participants on citation software like Zotero and Mendeley, while stressing research ethics and academic integrity.

Day 2 (July 25): Prof. Alpana Srivastava led both sessions, covering research question framing, hypothesis development, and distinguishing conceptual from theoretical frameworks. The afternoon focused on questionnaire design, Likert and semantic differential scales, and research design essentials.

Day 3 (July 26): Dr. Subhash K. Yadav presented methods for sampling design, sample size estimation, and data cleaning. Participants engaged in hands-on data preparation using real-world examples.

Day 4 (July 28): Dr. Urooj A. Siddiqui conducted sessions on SPSS applications in pilot surveys, covering reliability tests (e.g., Cronbach’s Alpha), descriptive statistics, and normality

checks. The afternoon delved into the application of parametric and non-parametric statistical tests.

Day 5 (July 29): Dr. Siddiqui continued with rigorous hands-on sessions on t-tests, ANOVA, correlations, and regressions in the morning. The afternoon introduced Mann–Whitney U, Wilcoxon, Kruskal–Wallis, and Chi-square tests, with emphasis on data visualization.

Day 6 (July 30): Dr. Shailesh Kaushal introduced SEM via SmartPLS, guiding participants through path modeling and measurement models. In the afternoon, Prof. Masood H. Siddiqui conducted SEM using AMOS and led discussions on ethics, IRB protocols, DEI, and responsible data practices.

The valedictory session began at 3:30 PM with anchoring by Dr. Mansoor Ilahi. Prof. Adeel Maqbool offered closing remarks, followed by addresses from Prof. Syed Aqeel Ahmad and Prof. Masood H. Siddiqui. Chief Guest Prof. Wahajul Haq, Dean of Doctoral Studies and Research, highlighted the role of authentic research in nation-building. Certificates and mementoes were distributed before a group photograph and high tea brought the programme to a close.

Participants expressed appreciation for the workshop's intellectual rigor and practical relevance. The success of "Re-Search 5.0" affirmed Integral University's commitment to fostering advanced, ethically-grounded, and socially responsive research.
