Brief Report on Extension Activity
Title: Cyber Frauds Awareness Program
Under the initiative of: Digital Saksharta Abhiyaan
Organized by: Department of Computer Application,
Integral University, Lucknow.
Date: 17 April, 2025

Technological advancement has empowered the world to operate across digital platforms, transforming daily activities in all sectors. Both central and state governments have actively promoted digital platforms and launched awareness campaigns highlighting their advantages and potential risks.

In support of the government's initiative on cyber fraud awareness, the Department of Computer Application at Integral University undertook a commendable effort to educate the academic community and the general public.

As part of this initiative, the department organized an extension activity focusing on Cyber Fraud Awareness at the Government Basic School in Basaha, Bakshi Ka Talab Block, Kursi Road, Lucknow. Basaha is the adopted village of Integral University.

Objectives of the Activity:

1. To provide students with a foundational understanding of cyber security, including common threats, vulnerabilities, and best practices.
2. To raise awareness about various types of cybercrimes such as identity theft, phishing, and online fraud, and educate students on protective measures.
3. To promote responsible and ethical behavior in digital spaces and encourage good cybersecurity hygiene.
4. To inform students about the risks associated with poorly secured applications and data misuse.

Highlights:

Under the “Digital Saksharta Abhiyaan,” brief sessions on “Cyber Frauds and Cyber Security” were conducted by the students of BCA. The students of BCA also interacted with the students and teachers of the school and made them aware of the different types of cyber frauds that are prevalent today. The session witnessed enthusiastic participation from the students and was effectively coordinated by Dr. Mohd. Suhaib Kidwai, Mr. Qazi Saeed Ahmad, Mr. Shafiqur Rahman, and Mr. Sumit Yadav.

Glimpses of the Activity:
