Dear All,

The Department of Computer Applications, in association with **SkillCircle – A Digital Marketing Company**, is organizing a hands-on workshop titled “**Hands-On AI: Build Your First Model**” on **20th September 2025**. This workshop is designed to introduce participants to the fundamentals of Artificial Intelligence and Machine Learning and provide a practical, step-by-step experience in building and training their very first AI model using Python.

- ♦ **Organized by:** Department of Computer Applications
- ♦ **In Association with:** SkillCircle – A Digital Marketing Company
- ♦ **Venue:** [Insert Venue Name, e.g., Central Auditorium (Hall-2)]
- ♦ **Purpose:** Enhancing knowledge and practical skills in Artificial Intelligence through hands-on experience

🌟 Workshop Highlights:

- Introduction to AI and ML concepts
- Hands-on dataset preparation and preprocessing
- Building, training, and testing a simple classification model
- Exploring real-world AI applications and career pathways

🎓 Certificates will be awarded to all participants!

Don't miss this opportunity to gain practical knowledge of Artificial Intelligence and start your journey in one of the most impactful technologies of the modern era!

For more details, contact:

📞 Faculty Coordinators:

- ♦ Dr. Abida Khanam (Assistant Professor)
- ♦ Mr. Faizan Mahmood (Assistant Professor)

📞 Student Coordinators:

- ♦ Tanu (BCA 1st year)
- ♦ Achintya (BCA 1st year): 83170 76802
- ♦ Zaid Ansari (BCA 1st year): 8090691264

🚀 Get ready to build your first AI Model and explore the future of Artificial Intelligence! 🤖
