Notice

All students are hereby informed that the academic pre-registration for the Even-Semester 2025–26 must be completed through the University Mobile App by October 6, 2025.

The date has been preponed to facilitate timely preparation of the teaching load required for designing the Even-Semester class timetable. The process is essential to determine the selected courses and number of students in each group for the upcoming semester.

You are therefore instructed to complete the pre-registration process online through the University Mobile App from any location before the due date, i.e., October 6, 2025.

Failure to do so shall affect your group allocation, issue of admit card for Semester-End (Odd) Examination and Course/Semester registration for the Even-Semester-2026.
