Dear All,

As per the instructions of the **University Grants Commission (UGC)**, the **Department of Computer Application, Integral University**, conducted an awareness program aimed at preventing the problem of ragging within the university campus. This initiative was aligned with UGC's proactive measures, including the launch of media campaigns and the enforcement of strict anti-ragging regulations.

In accordance with UGC and Centre for Youth (C4Y) directives, Anti-Ragging Day was observed on 12th August 2025, followed by **Anti-Ragging Week from 12th to 18th August 2025**.

As a part of this initiative, the department's Proctorial/Anti-Ragging Committee hosted a **Poster Presentation on Anti-Ragging Awareness** on August 18, 2025, in Block B,B125(Smart Class). The goal was to educate students about the harmful effects of ragging and promote a safe and respectful campus culture.

The event began with an inspiring speech by **Dr. Asif Khan**, Assistant Professor, who emphasized the significance of creating a ragging-free environment, mutual respect and the role each student plays in creating a positive environment.

The event witnessed enthusiastic participation from students who prepared informative and creative posters highlighting the theme of **"Say No to Ragging"**. The competition was open to BCA and MCA students, with a huge number of participants. Students could compete as individuals or form groups of two to five. Their poster presentations delivered powerful messages against ragging, promoting **unity, discipline, empathy, and mutual respect**. The creative posters were then displayed in the department wing to serve as a constant reminder of the importance of maintaining a respectful and supportive atmosphere.
