

INTEGRAL UNIVERSITY, LUCKNOW
Department of Computer Application
Organizes
National Level e-Poster Presentation Competition
on
“The Pivotal Role Of ICT in Covid-19 Pandemic”

As the online learning space is evolving rapidly, the **Information Communication Technology (ICT)** is working as a **Savior** in the present scenario. From artificial intelligence to video based learning to wellness tech, the emerging **edtech** trends have a lot in store for students and research scholars. ICT can complement, enrich and transform education for a better future.

Department of Computer Application , Integral University, Lucknow is organizing a **National Level e-Poster Presentation Competition** on **“The Pivotal Role of ICT in Covid-19 Pandemic”** from **28/09/2020 to 30/09/2020** in association with Indian Society for Technical Education (ISTE). It will provide a platform for all students and research scholars **to unlock their creativity and showcase their knowledge.**

Objectives(s):

- To make students adaptive to online tools,
- To provide a platform to exhibit their knowledge in diverse technologies,
- To know the level of awareness of digital world in pandemic,
- To highlight the use of ICT in academics and research.

Dates to Remember:

Registration Dates: **19- 22 September, 2020**

Poster Submission Dates: **23 – 25 September, 2020**

Poster Presentation Dates: **28 – 30 September, 2020**

Eligibility Criteria:

The competition is open to individuals who are full time students enrolled in an undergraduate, post graduate or doctoral degree program.

Poster Design Guidelines:

- The poster must be created digitally.

- All participants will get E-Certificate.
- There is no registration fee.
- Each student can only submit one poster.
- Participant may orient the poster vertically or horizontally.
- All illustrations and text must be clearly readable.
- Integral University logo, participant name and affiliation must be presented on the poster.
- Poster should be submitted in JPEG/PNG format.
- Collaborative poster presentations are not acceptable.
- The last date for submission of the poster is 25 September, 2020.
- Submission that does not meet above mentioned criteria will be disqualified.

Poster Presentation Guidelines:

- Participants are required to present their poster through Google Meet.
- Competitors will be given 5-7 minutes window to showcase their poster in front of the judges.
- Judging sessions will consist of a five minutes presentation given by the participant plus two minutes question-and-answer session.
- Date and time for each participant will be assigned by the ePoster organizing committee and the student will be notified of their presentation date and time on or before 28 September 2020.
- The result will be announced on 01 October, 2020.

Judging Criteria:

- The judgment will be done by Board of Jury.
- When the competition is being conducted, each participant should be logged in on their Google Meet with his/her poster to answer all questions from the judges.
- The presentation schedule will be informed to you once the program is finalized.
- You will be given about 5-7 minutes to present your poster including questions and answers. Judges may pose questions during the evaluation of the poster.
- Judges will consider the student's enthusiasm towards their study, interest and knowledge in the area of their research while evaluation.

- There may be more than one judge to evaluate the posters.
- The judge's decision will be final and no clarification will be entertained.
- Only posters that are based on the stated theme (**The Pivotal Role of ICT in Covid-19 Pandemic**) will be accepted for the presentation. Posters promoting marketing and sales of products will not be accepted. (In case your poster is not selected you will receive an e-mail notification).
- Poster Competition will be conducted only if registered poster participants are more than 15.

Awards:

- E-Certificates will be given to all participants.
- First, Second and Third position holders will be rewarded.
