**Faculty of Education  
under the aegis of the  
Environmental Sustainability Club  
Organising  
E-Poster Making Competition  
on*****“Eco-Vision 2030: Youth Perspectives on Climate Action and Sustainable Living”*****Dear All,**

Are you concerned about the future of our planet? Do you wish to contribute towards sustainable development through creativity and innovation? Here is an opportunity to express your ideas and perspectives on pressing environmental challenges!

The Faculty of Education, Integral University, Lucknow, is pleased to announce an **E-Poster Making Competition** on the theme ***“Eco-Vision 2030: Youth Perspectives on Climate Action and Sustainable Living.”***

This activity is aligned with the United Nations Sustainable Development Goals (SDGs), particularly **SDG-4 (Quality Education)**, **SDG-12 (Responsible Consumption and Production)**, and **SDG-13 (Climate Action)**. The competition aims to foster environmental literacy, creative expression, and critical reflection among students regarding sustainable development challenges and solutions. It also seeks to encourage innovative thinking on climate resilience, biodiversity conservation, and sustainable lifestyles.
