# ABOUT THE UNIVERSITY

Integral University is situated in Lucknow, a city known for its culture, etiquette, monuments and role in the freedom struggle. Lucknow is the capital city of the largest state of India, and has a population of about 4.6 million. Lucknow is the capital city of Uttar Pradesh and it has always been a multicultural city. Integral University has a unique culture of inclusiveness, diversity, personal and intellectual integrity and value-based education.

The curriculum has a strong focus on individual growth and the development of essential tools so that its students make a mark in the corporate world and the field of technology. These are solidly supported by a highly qualified and trained team of accomplished faculty and robust academic infrastructure. It was established under the Act Number 9 of 2004 by the State Government. The University is duly approved by the University Grants Commission (UGC) under section 2(f) and 12B of the UGC Act, 1956, Medical Council of India, Pharmacy Council of India, Indian Nursing Council, Council of Architecture, Bar Council of India, Indian Association of Physiotherapists, National Council for Teacher Education, UP State Medical Faculty. The University maintains a decent and decorous atmosphere in the campus. The campus is highly disciplined and ragging-free, with all modern amenities for pursuit of higher education and sports.

## ABOUT LUCKNOW

Lucknow is the capital and the largest city of the Indian state of Uttar Pradesh. It has been known as the city of Tehzeeb, culture, art, music, poetry, literature, food and embroidery to technology, finance and pharmaceuticals. All this has ensured its prominence as a centre of business and industry, education and research as well as tourism. Lucknow's period charm, together with lingering traces of its famed courtly etiquette, sets it apart from other cities in India. Lucknow, today, is an amalgam of the ancient and the modern, both existing side by side to give special flavour to the city.

# ABOUT FACULTY OF EDUCATION

The Faculty of Education came into being in the year 2005 when B.Ed. program was launched with an intake of one hundred students. The M.Ed. course was added in the year 2008 with an intake of twenty five students which has now been increased to fifty students. Ph.D. program was introduced in 2010 and D.El.Ed. programme started in 2017. Sixteen batches have passed different programs followed in the Faculty of Education with nearly fourteen hundred graduates, two hundred thirty post-graduates and twenty five diploma holders. Forty research scholars have been awarded Ph.D. degree. Many students are placed in government and private institution and have joined Central Universities like Aligarh Muslim University, Aligarh, Jamia Millia Islaima, New Delhi, etc. for higher studies. A team of experienced, dynamic and qualified teachers are continuously working for enrichment of the faculty.

A multi-cultural environment is maintained as the students of different states learn together in the department. The infrastructure of the department is outstanding catering to all the needs of the students i.e. General Science Lab, Educational Technology Lab, Educational Psychology Lab, Art & Craft Resource Centre, Biological Science Lab, Language Lab, Home Science Lab, Research Cell and Girls Common Room.

## ABOUT THE WORKSHOP

Moving with changing times makes you nearer to success. This workshop is an effort to make the students learn new technologies and methods which will modify them to new age teachers. This workshop will serve as a model for effective lesson planning, focusing on formulating measurable learning objectives and aligning teaching strategies to them. With guidance, the participant will break down the process of creating effective lesson plans into manageable steps and tailor these steps to the needs of the discipline. The participants will practice creating a sample lesson plan and receive constructive feedback on it from your peers. The program also caters to the **United Nations Sustainable Development Goals (SDG) 4 and 9.**
