

## DEPARTMENT OF **ELECTRICAL ENGINEERING**

## **Notice**

Ref: IU/EE/2025/24

Date: 15/11/2025

This is to inform all the students, faculty, and staff members of the Department of Electrical Engineering organizes a workshop on "Next-Gen. Power Conversion Technologies for Smart and Sustainable Power System" on 20th November 2025.

## **Session Experts:**

S. No.	Name of Session Experts	Sessions	Time	Venue
1,	Dr. Anshul Agarwal Associate Professor EED, BBAU, Lucknow	Workshop Session-I	11:00 am –12.30 pm	B013
2.	Dr. Rafik Ahmad Associate Professor EED, BBDNITM, Lucknow	Workshop Session-II	01:30 pm – 3.00 pm	B013
3.	Prabhat Ranjan Sarkar & Dr. Isarar Ahamad Assistant Professors EED, IU, Lucknow	Hands on Session	3.30 pm - 05.00pm	B013

The aim of this workshop is to provide participants with comprehensive knowledge and handson exposure to emerging power conversion technologies that support the development of smart, efficient, and sustainable power systems. It intends to bridge the gap between modern power electronic innovations and real-world applications.

All students, faculty and staff members are requested to attend the workshop and actively participate in the discussions.

We look forward to your active participation.

**Co-ordinators:** 

Mr. Prabhat Ranjan Sarkar School Ly
Dr. Isarar Ahamad Almed

Dr. Mohd. Atif Siddiqui Head of Department Electrical Engineering Deptt. Integral University, Lucknow
