Hey Griots, This is your call for Submissions

THE GRIOT OF GATHAS

RELIVING GRANDMA TALES

The stories are arriving...
Voices from different homes, languages, and memories are coming together but

WE ARE STILL LISTENING, SUBMISSIONS ARE STILL OPEN!

Every home has stories. Some just haven't been told yet.
Did someone in your family tell stories that stayed with you—
long after the night ended?

A grandmother's tale whispered before sleep...
A village legend that everyone believed...
A lullaby that still echoes in your memory...

Now is the time to bring those stories back to life.

Bring it. Tell it. Relive it.
