

Department of Languages Formal Valedictory Ceremony — Closing of Academic Session 2025–26

Under the distinguished stewardship of **Prof. H. M. Arif, Head, Department of Languages**, the department organized a Formal Valedictory Ceremony on **15th May, 2026**, to solemnly mark the conclusion of the Academic Session 2025–26 and to extend a dignified and heartfelt farewell to the graduating cohort of the department.

The event was meticulously conceived and executed under the academic coordination of **Dr. Aareena Nazneen** (M.A. Programme Coordinator) and **Dr. Vanya Srivastava** (B.A. Programme Coordinator), with commendable support extended by **Dr. Ambreen Fatima, Dr. Sugandha Agnihotri**, and **Ms. Sumedha Dasgupta**, all under the advisory guidance of the Head of Department.

The proceedings were formally inaugurated with a **Welcome Address** delivered by Prof. H. M. Arif, whose words set a tone of academic pride, institutional gratitude, and warm encouragement for the departing students. This was followed by a thoughtfully curated **Video Montage** — a visual chronicle of cherished moments and milestones from the outgoing students' academic journey — which evoked a profound sense of nostalgia and emotional resonance among all those in attendance, faculty and students alike.

In recognition of individual distinction and exemplary contribution to the department, the ceremony featured the conferment of **Honorary Titles** upon deserving outgoing students, alongside the presentation of **Mementos** as tokens of institutional appreciation and enduring remembrance. The formal proceedings were complemented by a series of **structured recreational activities**, fostering camaraderie and celebrating the spirit of the departing batch in a jubilant yet poignant atmosphere.

The ceremony drew to a gracious close with heartfelt **testimonials and expressions of gratitude** from the outgoing students, who shared reflections on their formative years within the department. The faculty, in turn, conveyed their sincere felicitations and extended their warmest wishes to the graduating cohort, affirming their confidence in the students' future academic and professional pursuits.

The Valedictory Ceremony served not only as a formal closure to the Academic Session 2025–26 but also as a profound reaffirmation of the Department of Languages' unwavering commitment to nurturing academic excellence, intellectual growth, and a lasting sense of belonging among its students.
