Dear All,

It gives us immense pleasure to inform you that the Environmental Law Society, Faculty of Law, Integral University, in association with National Service Scheme, under the aegis of the Mulya Pravah Committee—a Quality Mandate initiative promoting value-based education—is organizing an Outreach Plantation Drive as part of the nationwide environmental campaign “Ek Ped Maa Ke Naam 2.0”, scheduled for 23rd July 2025.

As part of our continued commitment to institutional social responsibility, this event is aimed at enhancing environmental consciousness and fostering a green mindset among students and the community. Trees, often taken for granted, are not only aesthetically pleasing but also vital for ecological balance, reducing carbon footprints, and promoting public health—thereby addressing key sustainability indicators under NAAC standards.

The Environmental Law Society (ELS), with a focus on sustainable development and environmental law awareness, has been actively involved in organizing community-based initiatives to engage students in experiential learning. This plantation drive seeks to encourage student and faculty participation in social extension activities and contribute towards the goals of a green campus and a healthier environment.

The Initiative directly supports the United Nations Sustainable Development Goals (SDGs), especially:

- SDG 13: Climate Action
- SDG 15: Life on Land

By aligning with these global and national benchmarks, the University reinforces its commitment to quality education, outreach, and inclusivity.

We believe this campaign will serve as a best practice model in integrating environmental values with legal education and inspire students to become active contributors to climate justice and sustainable communities.

Plantation Drive Details:

- Date: July 23rd, 2025
- Venue: Basic School Basaha, Chetanpurwa Road, BKT (Bakshi Ka Talab), Lucknow – 227202, Uttar Pradesh
