

**INTEGRAL
UNIVERSITY**

DEPARTMENT OF MECHANICAL ENGINEERING

NOTICE

The Department of Mechanical Engineering is pleased to announce a Value-Added Course (VAC) on "*Introduction to Building Services (MEP)*". This course, open to all students, will begin on **November 11, 2024**, in a blended mode.

Course Overview

Gain foundational skills in **Mechanical, Electrical, and Plumbing (MEP)** systems, including:

- **Mechanical Systems:** HVAC, piping, and fire protection
- **Electrical Systems:** Power, lighting, and emergency systems
- **Plumbing Systems:** Water supply, drainage, and gas systems
- **Tools & Standards:** BIM, AutoCAD, and building codes (ASHRAE, NFPA)

Details

- **Duration:** 30 Hours
- **Mode:** Blended
- **Registration:** Nov 7–9, 2024
- **Course Dates:** Nov 11–24, 2024

Certificates will be provided upon successful completion.

Feel free to contact following faculty coordinator in case of any query

1. Er. Mahmood Alam (8417835632)
2. Er. Meraj Ansari (90263 28688)
3. Er. Shara Khursheed (91408 64755)

Prof. (Dr.) P.K. Bharti
HoD, Mech. Engg
