DEPARTMENT OF MECHANICAL ENGINEERING

NOTICE

Department of Mechanical Engineering is organizing an expert lecture on “Fluid dynamics and heat transfer analysis for the flow past a cylinder with focus on intellectual property rights (IPR).” by Dr. Rashid Ali, Associate Professor in the Department of Mechanical Engineering, Zakir Husain College of Engineering and Technology, Aligarh Muslim University Aligarh. Dr. Ali has more than twenty years of teaching experience and he expert in the Computational Fluid Dynamics, Flow Past Bluff Bodies, Laminar Flows, Mixed Convective Flows, and Heat Transfer.

All faculty members and students are cordially invited to attend.

Details of the Expert Lecture:

Expert Speaker: Dr. Rashid Ali
Associate Professor in the Department of Mechanical Engineering
Zakir Husain College of Engineering and Technology, Aligarh Muslim
University Aligarh.

Venue : B019 (LT 3)

Date : 20.11.2024

Time : 10:30 AM (Onwards)

In case of any query please contact following staff coordinators

Er. Faiz Mohd, Assistant Professor, Department of Mechanical Engineering

Mr. Asad Ahmad Faridi, Sr Lab Instructor, Department of Mechanical Engineering

A handwritten signature in blue ink, appearing to read 'P. K. Bharti', with the date '18.11.24' written next to it.

Dr. P. K. Bharti

Professor & Head

Dept. of Mech. Engg.

A handwritten signature in blue ink, likely of the same person as the one above, located at the bottom of the page.
