

Department of Mechanical Engineering Integral University, Lucknow

ISHRAE Students' Chapter Installation

Department of Mechanical Engineering, Integral University feels immense pleasure to announce the foundation the students' chapter of ISHRAE (Indian Society of Heating, Refrigeration and Air-conditioning Engineers) for the benefit of the mechanical engineering students. The students' chapter was founded on 4th March 2017, which was participated by 3 faculty members and students of Mechanical Engineering. The objective of this program was to get the awareness among the students about HVAC & R, career opportunities in this field, future scope, ISHRAE introduction and its activities across the country, benefits for students and benefits of joining ISHRAE. Student members of Mechanical Engineering department Suhaib Ahmad Hashmi (Student President), Tauseef Ahmad (Secretary), Shahrukh Rehman Khan (Treasurer) and other members took oath in the program for promoting the society.

Mr. Sameer Shrivastav (Program Chair), Mr. Rahul Suri (President elect 2017-18), Mr. Varad Tiwari (Past President), Mr. Harish Sahni (current President) and Mr. Vikram Maini (Guest Speaker) were present on behalf of ISHRAE Lucknow sub-chapter team and Mr. Mohammad Faisal Khan (Assist. Prof. – ME & ISHRAE Member) was the coordinator of the program on behalf of Integral University. Mr. Rahul Suri and Mr. Varad Tiwari introduced the benefits of joining ISHRAE for the students and explained the working of the students' chapter for their benefits. Eventually Mr. Mohammad Faisal Khan concluded the program with emphasis on establishing students' chapter at Integral University, information about **ACREX 2017**, **AQUEST** competition (organised by HITACHI), project funding opportunities for students and **JOB JUNCTION** for the students' benefit point of view. He also motivated third year students to work on some innovative HVAC concept as a part of their final year project to avail funding opportunity from the society.

In the academic year 2016-2017, student members appeared in **JOB JUNCTION** program which provides an opportunity for the final year students to grab a career in HVAC industry, attended a technical conference “**URJAVARAN**” which was focused on current technology in HVAC industry. The members also visited the largest international “HVAC and MEP” exhibition of Asia called **ACREX 2017** at Greater Noida.

Students also participated in **AQUEST** competition, quarterfinal round at Manav Rachna International University, Fareedabad after qualifying preliminary round. At the end of the program, charter installation certificate was given to the department of Mechanical Engineering.
