NOTICE

Subject: World Antimicrobial Resistance Awareness Week (WAAW) 2025 Celebration

The World Health Organization (WHO) observes World Antimicrobial Resistance Awareness Week (WAAW) every year from November 18 to 24 in order to apprise the community on global antimicrobial resistance. The Department of Pharmacy is excited to invite all students, faculty, and healthcare professionals to participate in the World Antimicrobial Resistance Awareness Week from November 18 to 24 2025 under the Pharmaceutical Society of Integral University. This year's theme is *Act Now: Protect Our Present, Secure Our Future*", emphasizing collective action in combating Antimicrobial Resistance (AMR).

Our week-long program will feature informative sessions, discussions, and activities to increase awareness of AMR and promote the responsible use of antimicrobials. The flyer with detailed schedule of events is enclosed.

All are encouraged to join us in promoting awareness and fostering a proactive approach to antimicrobial resistance. For further information, please contact the AMR Awareness Week Event Coordination Team, Faculty of Pharmacy.
