ALI AHMAD
Assistant Professor, Department of Computer Applications, Faculty of Engineering,
Integral University, Lucknow
+91 8318968233 |aliahmad@iul.ac.in

PROFILE

- Aspiring academician currently pursuing a Ph.D. in Computer Applications.
- One year of teaching experience as Assistant Professor.
- Committed to student growth through innovative teaching methodologies.
- Specialization in **Cloud Computing and Cyber Security**.
- Aim to contribute to research advancement, curriculum development, and academic excellence.

RESEARCH INTEREST:
- Cloud Computing
- Cyber Security
- Blockchain Technology

SUMMARY OF RESEARCH ACCOMPLISHMENT:
- 2 SCOPUS-indexed international conference papers (accepted).
- Active in research on **data security, blockchain, and online banking security**.

COURSE TAUGHT:

- Cloud Computing
- Cyber Security
- Blockchain Technology
- Web development
- Basic of cyber security
- Mobile application development

ADMINISTRATIVE/DEPARTMENTAL RESPONSIBILTY

- Training & Placement Coordinator
- Alumni In-charge.
- Floor In-charge (Monitoring).

STUDENTS SUPERVISION

- BCA (Major Project) 20 Students

PAPER PUBLISHED IN INTERNATIONAL CONFERENCES

- Ahmed, A. et al. (2024). *"Securing Online Banking: Identifying Risks and Best Practices."* 7th International Conference on Contemporary Computing and Informatics (IEEE/SCOPUS). (Accepted).
- Ahmed, A. et al. (2024). *"Enhancing Data Security with Blockchain Technology: Challenges, Applications, and Future Directions."* 9th International Conference on Research Innovation - Trends in Computational Science (CRI-TCS 2024, Bangkok, Thailand), (SCOPUS/ESCI). (Accepted).
