

DR. MOHD SAHIL

Clinical Pharmacist

☎ +91 6391087756 | ✉ mohdsahil010203@gmail.com | Lucknow, Uttar Pradesh, India

PROFESSIONAL SUMMARY

Clinically trained **Doctor of Pharmacy (Pharm.D)** with hands-on experience in **tertiary-care corporate and teaching hospitals**, including exposure to **ICU, emergency care, surgical prophylaxis, and antimicrobial stewardship programs**. Demonstrated competence in **medication therapy management, prescription audits, ADR monitoring, chemotherapy handling, and interdisciplinary clinical rounds**. ACLS-certified and trained to support critical care decision-making, patient safety initiatives, emergency pharmacotherapy and foundational training in **hospital operations, quality, and healthcare management**.

CLINICAL EXPERIENCE

Clinical Pharmacology Intern

Integral Institute of Medical Sciences & Research (IIMSR), Lucknow

July 2024 – December 2024 | February 2025 – June 2025

- Performed systematic **medication reviews** for inpatients, identifying drug-related problems including dosing errors, contraindications, and potential drug–drug interactions.
- Actively participated in **ICU and ward-based clinical rounds**, following sepsis protocols, providing pharmacotherapy recommendations under supervision.
- Supported **antimicrobial stewardship and surgical prophylaxis**, including antibiotic appropriateness review, dose optimization, and duration monitoring.
- Conducted **prescription audits (IPD & OPD)** aligned with institutional protocols and NABH standards.
- Assisted in **ADR monitoring, documentation, and reporting**, contributing to pharmacovigilance activities.
- Provided **patient counseling** on medication use, adherence, adverse effects, and discharge medications.

Clinical Pharmacology Intern

Fortis Hospital, Vasant Kunj, New Delhi

January 2025

- Assisted in **oncology pharmacy services**, including **chemotherapy preparation, safe handling, and monitoring** under aseptic conditions.
- Participated in **surgical prophylaxis evaluation** and antimicrobial utilization reviews.
- Supported **inpatient medication chart review**, focusing on safety, efficacy, and guideline adherence.
- Contributed to **ADR documentation** and medication safety reporting in corporate hospital settings.
- Engaged in **patient and caregiver education** regarding chemotherapy regimens, supportive medications, and adverse effect management.

EDUCATION

Master of Business Administration (Hospital Management) – Pursuing

Dr. D. Y. Patil Vidyapeeth, Pune | *Expected Completion: 2027*

Doctor of Pharmacy (Pharm.D) – First Class with Honours

Integral University, Lucknow | 2019 – 2025

Intermediate (Science) – 75%

Ram Khyal Janta Inter College, Azamgarh | 2017 – 2019

High School – 68.4%

St. Xavier's High School, Azamgarh | 2015 – 2017

CORE CLINICAL SKILLS

- ICU & Emergency Pharmacotherapy Exposure
- Medication Therapy Management (MTM)
- Antimicrobial Stewardship Programs (ASP)
- Chemotherapy Drug Preparation & Monitoring
- Prescription Review (IPD & OPD)
- Adverse Drug Reaction (ADR) Reporting
- Drug–Drug Interaction Identification
- Surgical Prophylaxis Review
- Patient Counseling & Discharge Education
- Dose Calculation & Therapy Optimization
- Clinical Documentation & Audit Support

CERTIFICATIONS

- **Advanced Cardiovascular Life Support (ACLS)** – Valid until December 2026

CONFERENCE & SEMINARS

- International Conference: Participated in the DST-SERB & CST-UP Sponsored International Conference on “Novel Paradigms in Pharmaceutical Sciences: An Approach for a Healthier World”, held at Integral University, Lucknow, 2024.
- Journal Club Presentations: Delivered monthly presentations on recent clinical pharmacology and therapeutic

ACADEMIC & PROFESSIONAL ACTIVITIES

- Participation in **interdisciplinary clinical rounds** and case discussions.
- Conducted **seminars, journal clubs, and case presentations** on clinical pharmacy topics.
- Involved in **World Antimicrobial Resistance Awareness Week** activities.

RESEARCH & THESIS

Prospective Observational Study on Causes and Treatment Approaches for Abnormal Vaginal Discharge

Department of Obstetrics & Gynecology, IIMSR, Lucknow

LANGUAGES

- English – Fluent
- Hindi – Fluent
- Urdu – Intermediate

PROFESSIONAL ATTRIBUTES

- Strong clinical reasoning and attention to detail
- Effective communication with multidisciplinary teams
- Commitment to patient safety and evidence-based care
- Adaptable to high-acuity and fast-paced hospital environments
