EXPERIENCE

GIRLSCRIPT FOUNDATION
EDUCATION MENTOR
I worked as a mentor for students in different domains. I was responsible for teaching, monitoring their progress and maintaining a healthy environment for students.

THE UPLIFT PROJECT
EDUCATION MENTOR
Here, I got the opportunity to be a Mentor for Personality Development and public speaking skills. It was designed for different domains of students all over India

INDIAN INSTITUTE OF INFORMATION TECHNOLOGY, DESIGN AND MANUFACTURING, JABALPUR
CAMPUS AMBASSADOR
It is central India's biggest technical extravaganza for creating, nurturing and fueling one's interest in various domains of computer science, robotics, electronics, gaming, and design. In conjunction with the various technical events, various informal events keep the fest alive.

INDIAN INSTITUTE OF INFORMATION TECHNOLOGY
CAMPUS AMBASSADOR
I was responsible for gathering people from around the corner for this amazing program. It was a technical feast revolving around new tech and development.

FILMYLOOP
CONTENT WRITER
I was in charge of the process of writing, editing, and publishing content in a digital format. That content includes blog posts, video or podcast scripts, e books or whitepapers, press releases, product category descriptions, landing page or social media cop.
