About the University

Integral University is built on strong foundations. We are helping to create a better world and to solve the global challenges formulated in the UN's 17 Sustainable Development Goals. Prof. S.W. Akhtar founded IU in 1997 with a clear vision to integrate the ebullience, intellect and dynamism of youth with decency, decorum, discipline and dedication through value-based quality education. That vision lives on today. For years, our students have proven to be entrepreneurial problem-solvers, both in business and social context. IU has over 12,000 students from over 30 countries. We work in an inclusive, evolving, and respectful working environment.
