

Dear Research Scholars,

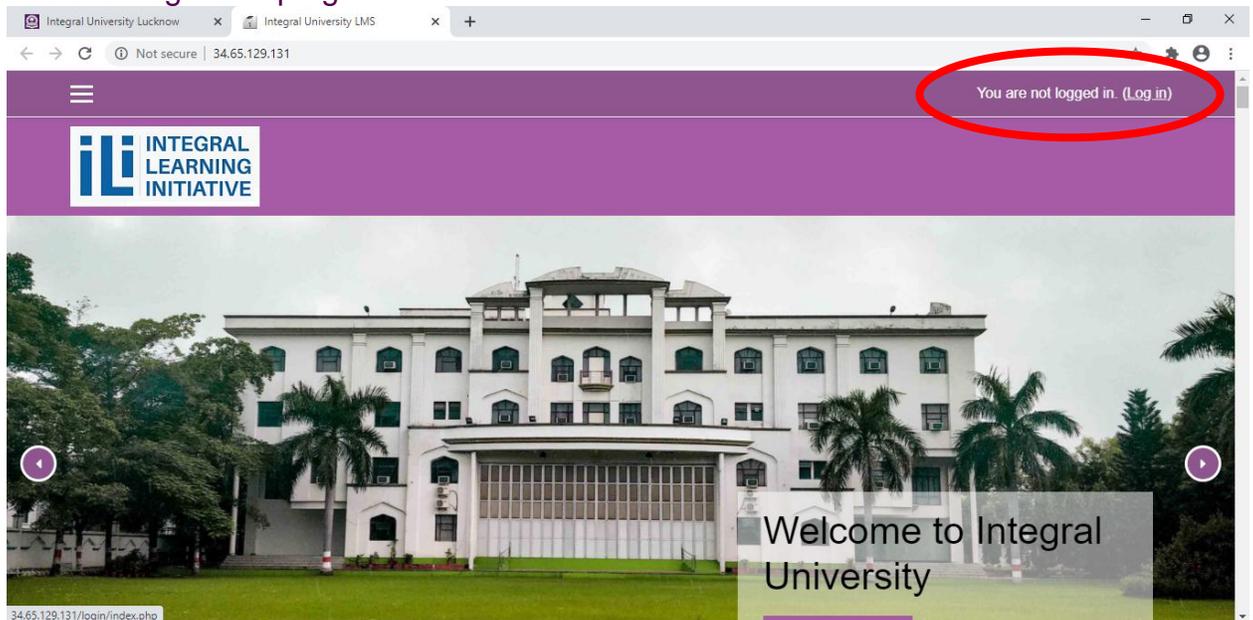

This is a different time and we all are learning to handle things accordingly. It is with this spirit we are going to conduct Pre-PhD course work examination on ILI (Integral learning initiative), a Learning Management System (LMS) developed in house. Following are instruction related to the use of LMS. For any query related to use of LMS, you may take help from your PhD program coordinator or can mail to ID: nrkidwai@iul.ac.in

Instructions for the use of LMS:

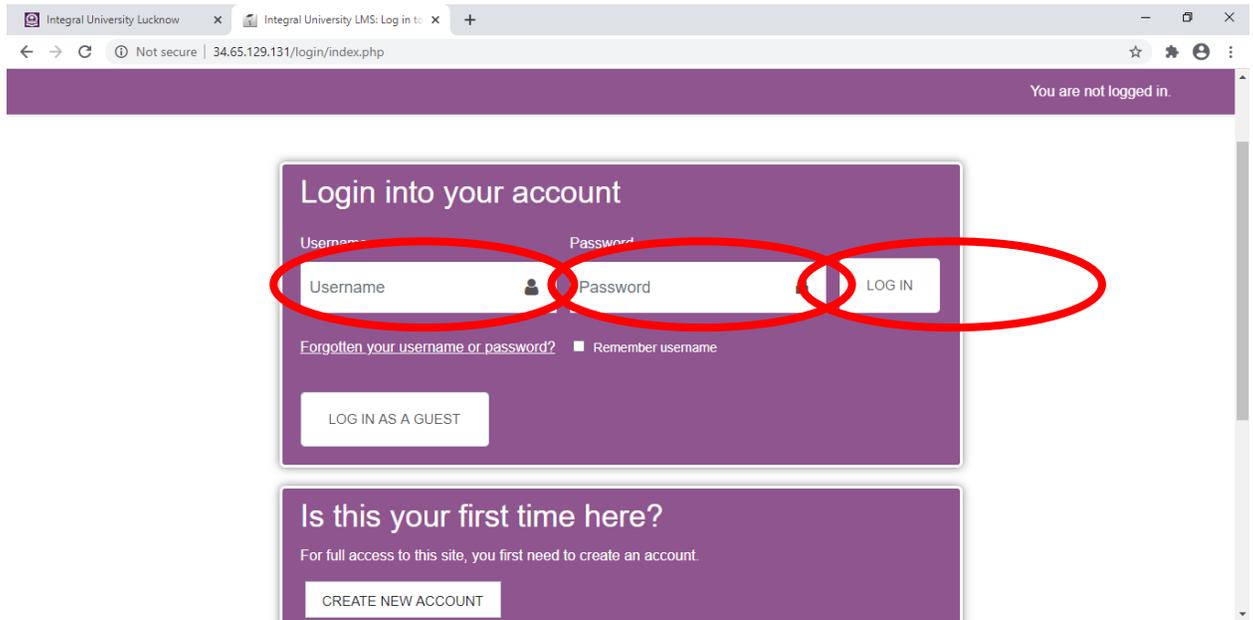

1. Enter URL <https://ilizone.iul.ac.in/>
Or
log to iul.ac.in and click on ILI icon

and click login at top right corner

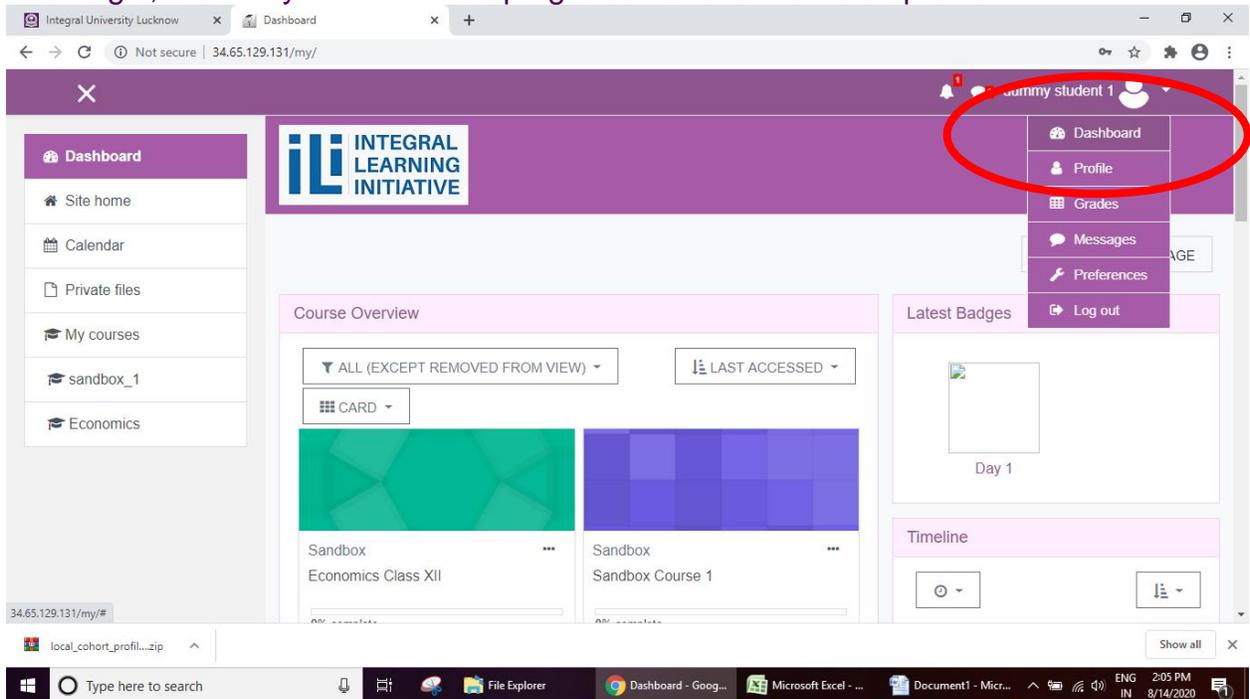

2. Login credentials for students
Username: your enrollment number
Default Password: PhD\$enrollment number
Then click login

You are already registered.

3. Update Profile after login
After login, click on your name at top right corner and then click profile

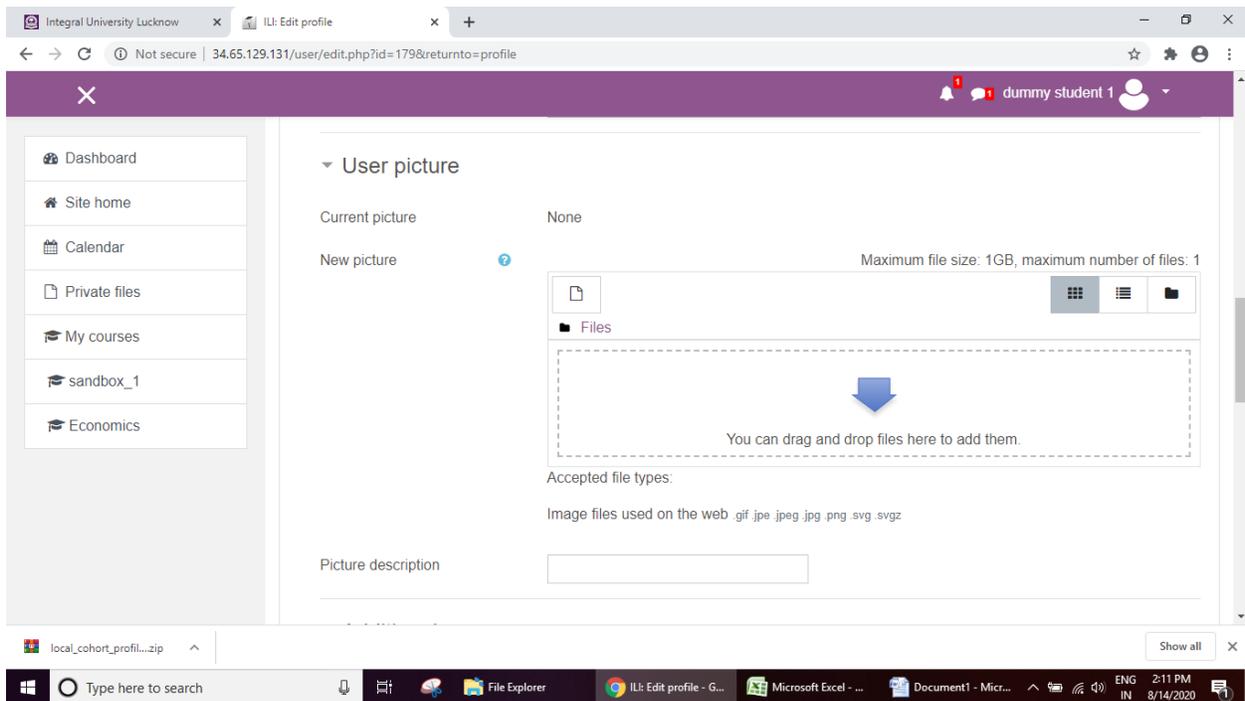

Then click edit Profile

The screenshot shows a web browser window with the URL `34.65.129.131/user/profile.php?id=179`. The page title is "dummy student 1: Public profile". The user is logged in as "dummy student 1". The page layout includes a sidebar with navigation links: Dashboard, Site home, Calendar, Private files, My courses, sandbox_1, and Economics. The main content area is divided into three columns. The left column, "User details", lists: Email address (s1@example.com), Country (India), City/town (Lucknow), User Credentials (IU Student), Section (Section A), and Year of admission (2020). The middle column, "Course details", lists: Course profiles (Sandbox Course 1, Economics Class XII). The right column, "Miscellaneous", lists: Blog entries, Forum posts, Forum discussions, Learning plans. Below this, "Reports" lists: Browser sessions, Grades overview. A red circle highlights the "Edit profile" link in the top right of the "User details" section.

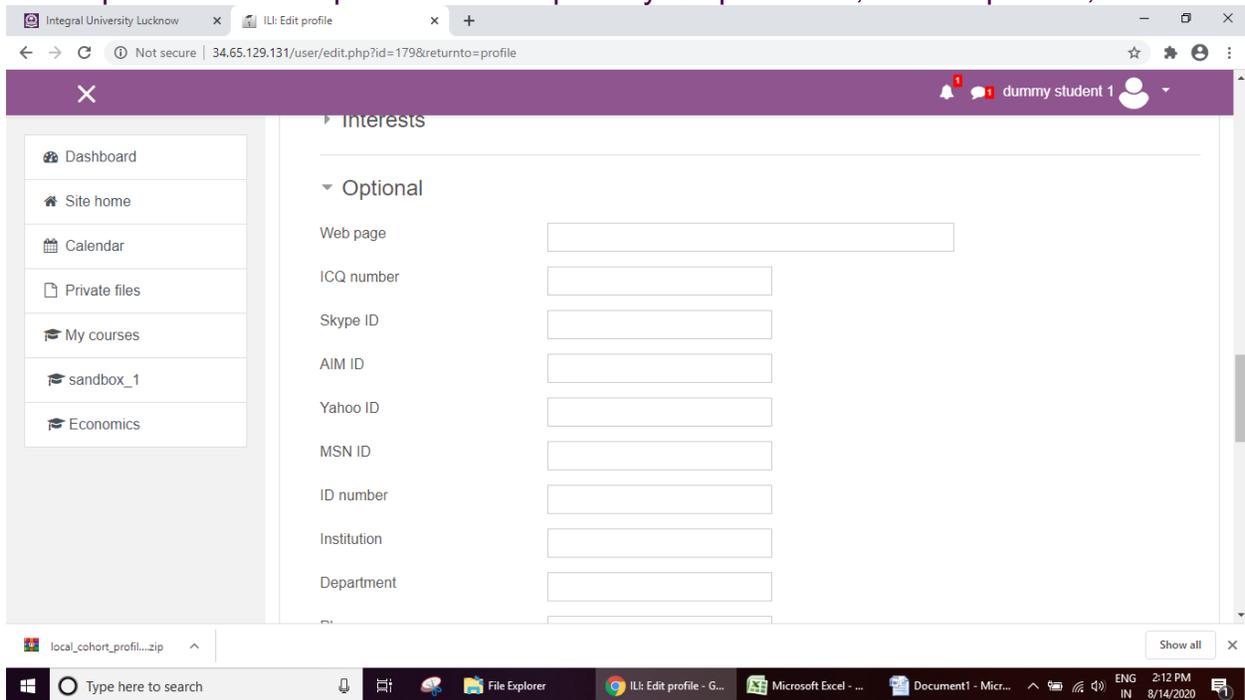

Check General Details

The screenshot shows the "Edit profile" page with the URL `34.65.129.131/user/edit.php?id=179&returnto=profile`. The "General" section is expanded, showing the following fields: First name (dummy), Surname (student 1), Email address (s1@example.com), Email display (Allow only other course members to see my email address), City/town (Lucknow), Select a country (India), Timezone (Asia/Kolkata), and Description (with a rich text editor toolbar). The "Expand all" link is visible in the top right of the main content area.
