Interactive Session on “Application of Block Chain Technology in Banking and Financial Services”

Department of Commerce & Management, Faculty of commerce & Management in collaboration with iNurture Educations Solutions Bangalore , in Integral University has organized an Interactive session on “**Application of Block Chain Technology in Banking and Financial Services**” on **25th of February 2020**. The key speaker was **Mr Jeeven Saini** is a Technology & Business Advisor, Block chain & Fintech Specialist, a Banking Technologist and a Global Leader.

BLOCK CHAIN is considered as decentralized databases and a peer-to-peer network that store a registry of transactions. The biggest challenge faced by all organizations that wish to use Block Chain Technology in Financial Sector management not ensure that their projects deliver the agreed objectives within time, cost and to the agreed quality. These factors must be balanced in relation to the overall scope.

This session is organized to make the students aware about that the demand for block chain talent is growing at over 40% per quarter. Further it was highlighted that there is a requirement of 50,000 skilled resources that are industry-ready globally. He also discussed about 2019-20 will be a tipping-point year for Block chain investments globally Over 50 countries have already embarked on initiatives to integrate block chains in their economies and to develop a strong holistic block chain ecosystem. He further emphasis that there is Ten-Fold increase in Adoption of Block chain. Mr Jeeven Saini’s inspirational words helped to motivate our students to grab this opportunity in future to learn the Advantages of Using Block chain Technology in Banking and Financial Services.

Mr Jeevan Saini was felicitated with bouquet by our volunteers followed by a welcome address delivered by **Prof. A.K.Saxena, Dean, FCM**. Lecture ended up with concluding remarks by **Dr. Syed Shahid Mazhar, Head, DCBM** and thanks giving address by **Mr. Saurabh Bajpai** Coordinator Financial Services iNurture .
