To Whom it May Concern

It is to certify that **Mohammad Usama**, Assitant Professor, Department of Environmental Science, Integral University, Kursi Road, Lucknow worked as local co-ordinator for the conduct of one week short term training course on "**Climate Change and Disaster Management through ICT**", which was organised by NITTTR Chandigarh from 6th to 10th November 2017 at **Remote Centre, Integral University, Lucknow**. His efforts in co-ordination and hard work made the programme successful in all respect. His dynamic leadership in organization of the programme is appreciable.
