Report Regarding Workshop on Disaster Management

An orientation **Workshop on Disaster Management** was attended by the students of University Polytechnic, Integral University, Lucknow on **6 February, 2017**. The workshop was organized by **Society for Bright Future (New Delhi)** at Maulviganj, Lucknow.

The event was designed to capture the key issues in disaster management, first aid, rescue operation, fire fighting and core group formation. Presentations were delivered by eminent experts from Government/ industry on relevant aspects including theory and techniques of rescue operations and first aid.

The event was concluded by certificate distribution to various student volunteers. **Dr. K.M. Moed (Principal, University Polytechnic)** congratulated the students and inspired them to implement this practical knowledge for the welfare of the society.

Thanks & Regards,
Mohd Shuaib Siddiqui
