

DEPARTMENT OF CIVIL ENGINEERING

Brief Report on Guest Lecture by Industry Expert for Pre-Final Year & Final Year Students held on 12th May 2021

A guest lecture on “**Opportunities for Civil Engineers in NTPC**” was held on 12th May 2021 via online mode organized by Department of Civil Engineering Integral University Lucknow. The guest speaker on this occasion was Er. Rajeev Bajjal, Ex General Manager in NTPC. Presently he is associated as Consultant to NTPC in New Delhi.

The Programme was hosted by Mr. Iqbal Ahmad, Final year student who gave a brief introduction of the guest speaker Dr. Syed Aqeel Ahmad, HoD Department of Civil Engineering welcomed the guest. Senior Faculty members and students attended the very interactive, informative and motivating lecture.

Er. Rajeev Bajjal discusses the role of Civil Engineers in NTPC projects and how Civil Engineers are important at the initial stages of the NTPC projects. He also shared his experience of some important NTPC projects and discusses the difficulties that came during their execution. Er Rajiv Bajjal also explain the various steps of construction of machine foundations, Chimneys and construction of nuclear power plants. He also appreciates the steps taken by Head of the department to organize such types of meets for the students.

He also told the students that they can enroll themselves as Graduate Engineer Trainee if you have good Gate score card.

An engaging interaction of the present students and industry expert witnessed the exchanges of ideas and future prospects that lie ahead of the students.

The Programme ended with vote of thanks delivered by Mr. Rajiv Banerjee, Associate Prof. Dept. of Civil Engineering Integral University, Lucknow. Total eighty five students took part in the meet.
