

Report on Webinar on “Smart and Digital Infrastructure: Recent Developments in Civil Engineering” held on 10th February, 2021

Dear All,

The Department of Civil Engineering, Integral University, Lucknow organized a One Day Webinar on “Smart and Digital Infrastructure: Recent Developments in Civil Engineering” held on 10th February 2021 in association with IDP Education India Pvt Ltd.

The welcome address was delivered by Dr. Syed Aqeel Ahmad, Professor & Head, Department of Civil Engineering, Integral University. He emphasized that technology is influencing the construction industry like never before and elaborated the trending topics in the area of construction and civil engineering technology to watch in 2021 and beyond.

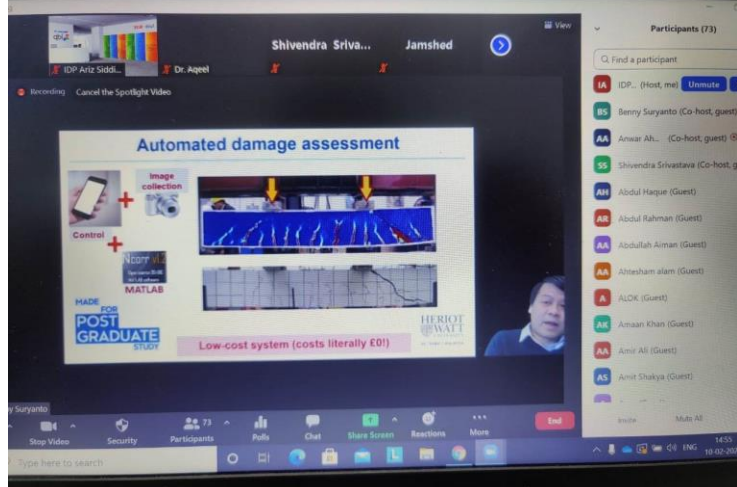

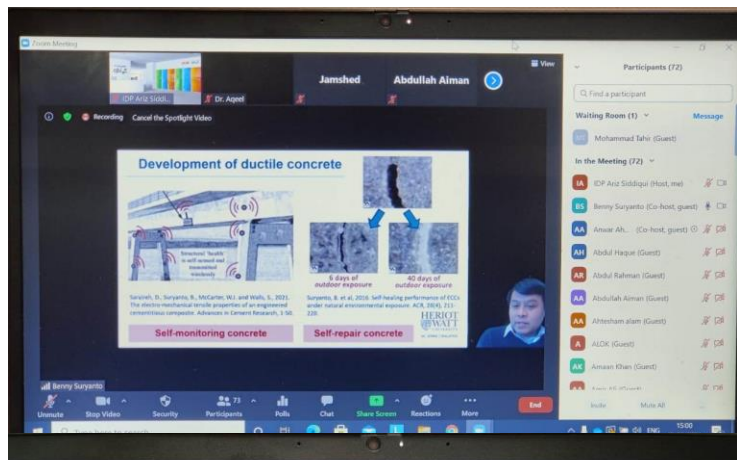

The invited keynote speaker was Dr. Benny Suryanto, Associate Professor in the Institute for Infrastructure and Environment at Heriot-Watt University, Edinburgh, UK. He discussed about the structural behavior of concrete, 3-D printing, eco-bricks, automated damage assessment by image processing, development of ductile concrete, advanced structural assessment, digital mapping and 3D reconstruction using unmanned aerial vehicles (UAV).

Around 80 participants were benefited by this informative and interactive webinar.

Mr. Anwar Ahmad, Associate Professor, Department of Civil Engineering, organized this webinar and Dr. Neha Mumtaz, Assistant Professor, Department of Civil Engineering, concluded the program by proposing the vote of thanks.

The banner features logos for IDP International Education, Heriot-Watt University 200th Anniversary, and GREAT. It includes a photo of Dr. Benny Suryanto and text detailing the webinar's topic, date (Wednesday, 10th Feb, 2021, 2:30pm - 3:30pm), speaker (Dr. Benny Suryanto, Associate Professor at Heriot-Watt University), moderator (Dr. Syed Aqeel Ahmad, Prof & Head at Integral University), and contact information (0522-4411888, 8318857337 / 6394946023).
