Brief Report on Guest Lecture by Industry Expert for Pre & Final year Students on Entrepreneurship for Civil Engineer

Er. Ravi Prakash Srivastava, Managing Director of M/s RPD Associates, Lucknow delivered an inspirational lecture on **“Entrepreneurship for Civil Engineer”** by online mode organized by Department of Civil Engineering, Integral University, Lucknow on 28th July 2021 for Pre & Final Year Students.

The Programme was hosted by Mr. Md. Sajid, Assistant Professor. Mr. Anwar Ahmad, Associate Professor welcomed the speaker and introduced him to the students on the behalf of Head of the Department Dr. Syed Aqeel Ahmad.

Er. Ravi Prakash Srivastava introduced the different aspect of Entrepreneurship and emphasized that zeal and great ideas are only ingredients in a recipe for business startup. He mentioned the reason that people do not start their new venture in India is due to non-awareness amongst the population of India and decides to go for jobs in private or government sectors so as to minimize the risk. Therefore, he emphasized to raise the basic awareness of entrepreneurship concept and to enable students to identify and learn how to make a mind set to take up Entrepreneurship as a challenging career.

He emphasize four factors to get successful in Entrepreneurship, they are mainly (i) team work (ii) product knowledge (iii) value of time and (iv) cost of the project. He also explain in details about GST and other related legal issue faced by entrepreneur time to time. He explain in details about the various attributes of successful Entrepreneurship such as drive, communication skills and technical skills. He also discussed about different IS codes and practical problems faced by fresh engineer at project site.

The Programme ended with vote of thanks delivered by Mr. Rajiv Banerjee, Associate Professor on the Behalf of Head of Department, Civil Engineering, Integral University Lucknow. Mr. Banerjee thanks Mr. Ravi Prakash Srivastava for sparing his valuable time and motivational works.
